

Edition 9 | 14 JUNE 2024

IN THE LOOP

Our artwork Begins...

This vibrant mural is a celebration of multiculturalism, indigenous heritage, and wildlife, woven together with the core values of Respect, Honesty, Unity, Success, and Resilience. On the left, a happy indigenous student symbolizes the importance of education and cultural pride. Indigenous patterns and native wildlife both fauna and birdlife interlace the design, paying homage to the original stewards of the land. On the right, a portrait of a child looks back over time, symbolising a respect and understanding of our history and leading of a new path towards a beautiful future.

This mural invites reflection on our shared journey from the establishment of the school in 1971 and moves into the values that unite us in creating a more inclusive future as one.

Acknowledgement to Country

We are learning on Wurundjeri Country and in the spirit of reconciliation, Lalor North Primary School acknowledges the Traditional Custodians of the land on which we are learning. We pay our respects to their Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Our School Values

Honesty

We communicate openly and work together to solve problems. By demonstrating honesty and acting with integrity we build trust, which enables us to collaborate, to take greater risks with our learning and to be more resilient when things go wrong.

Respect

We respect ourselves, our school and each other, and understand that our attitudes and behaviour have an impact on the people around us.

Unity

We have many languages, come from many backgrounds and are a school of many differences, but we speak with one voice, as one school. We develop a sense of connection and belonging within each part of our school, and across the whole school.

Success

We help each other learn so that everyone experiences success every day. Success means doing new things, learning new skills, finding new ways of thinking and solving interesting, complex and challenging problems.

Resilience

We know trying new things, experiencing challenges and bouncing back from adversity are central to life and to learning. Only by building our resilience can we experience strong levels of growth.

Principal's Message

Winter has certainly arrived, and the cold weather has set in which makes our lunchtimes and recesses more challenging. Some days children are kept inside for most of the day due to the wet weather or the very windy days. It is at these times that we make decisions when the weather changes. It is always with the best interests of student and their wellbeing.

Our swimming program has now come to an end. This year we had 124 students attend swimming lessons and the remainder of the school completing the Department of Education's Dry Swimming Program back at school. These lessons also played an important part of our teaching and learning program building students knowledge about water safety.

Annual Report

I'm pleased to let you know that our Annual Report for 2023 has been finalised and will shortly be available on our website. This report includes information about our school's achievements from the past calendar year, as well as information about our school context and areas of future focus. The report was presented to the school council at the AGM and endorsed by the Department of Education and our School Council President.

Reports

Our teachers are in the process of finalising Semester 1 reports, with Amanda and I set to do some proofreading over the weekend. We read all student reports and provide feedback to all staff ensuring that we report to our family's their child's progress with fidelity. Reports will be available for you to view and download from Compass in the final week of the term and we'll notify you once they are ready.

Attention Prep Parents!

We have organised a Prep Parents Coffee & Chat on **Thursday 20th June** at 9am. Drop your child off at the classroom and then meet us in the staffroom. It will give us an opportunity to come together and get to know each other even better.

Many new parents to the school community may have questions about teaching and learning, progress of reading and writing in the prep year, how to best support their children in learning, or questions about any school-based activities

See you there!

Stay home if unwell

Right on cue, and with the change in weather, it seems we've been struck down by sniffles and blocked noses. We are aware that cases of COVID/Flu are also increasing within the community and remind everyone about the importance of staying home when unwell. It's always tempting to soldier on or try and 'push-through', but the lessons of our experience over the last few years is a reminder about taking the time to get better before returning to work or school.

Keep our school community safe.

FUNDRAISING

Our school community are very supportive with all of our fundraising efforts. We are thankful for your support as a school community.

- Funds raised in 2023 carried forward was \$1567
- Colour Fun Run 2024 raised was \$4077
- Easter Raffle funds raised was \$2550
- Mother's Day and Special Person Stall – funds raised was \$852.00

Altogether our school community raised \$9546.00.

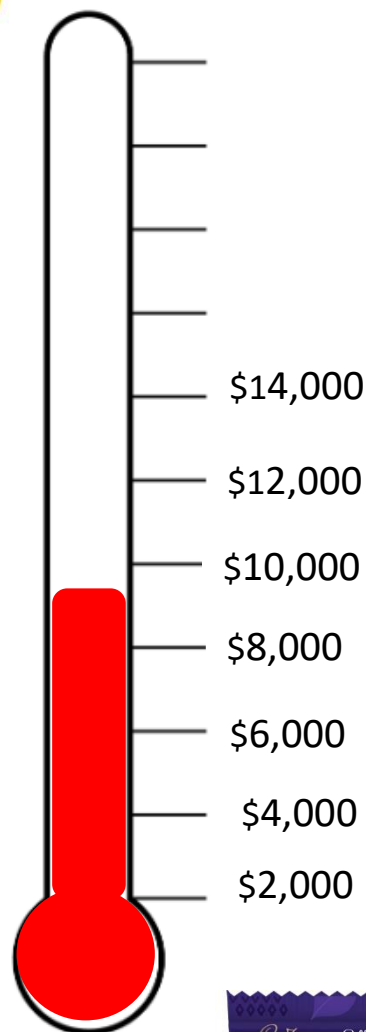

UPDATE

Our Student Representative Council has chosen to purchase outdoor table tennis. **This has now been ordered!**

Plus we have \$500 from Shop for Your School

Next Fundraising Event Coming Soon....

- Chocolate Drive in term 3

Reconciliation Week

In week seven we acknowledged Reconciliation Week. The week, which is an important week on the school calendar, is an opportunity to learn about our shared history and how everyone works together in achieving reconciliation in Australia.

This year's theme of 'Now More Than Ever' is a reminder to all of us that the work of acknowledging the rights of Aboriginal and Torres Strait Islanders is continuous.

Within the school, students were immersed in a range of learning activities and literature that supported these understandings.

Our new school mural will honour the connections to land and indigenous history and traditions. We look forward to this very special project this week.

Shop for Your School

The Shop for your school promotion has now ended with Pacific Epping Shopping Centre. Many local schools entered the competition to win a share of the \$50,000 prize.

Our school community were really proactive and worked together so well to collect and upload as many receipts as possible. Unfortunately, we just missed out on the third prize. Although it was lovely to see that we won a \$500 gift voucher for our school which the SRC will decide how it will be spent.

I wish to personally thank all the parents and students for their contributions and great efforts in the collection of receipts and giving our school our best shot. AMAZING COMMUNITY SPIRIT...

Individual Winner....

One individual winner per school entry was selected as part of a written entry and we are pleased to announce our Lalor North Winner ...Congratulations to Mateo R.

You have got to be in it to win it!

Attitudes to School Survey – Completed!

In the last two weeks all students in grades four, five and six completed the attitudes to school survey. The survey provides student voice and opinion about our school. This is important information that helps us improve things and make a bigger difference to the environment, teaching and learning. We thank our students for their honesty.

Mobile Phones – Not For School Use!

Our school has a Mobile Phones Policy for students as part of the Department of Education's directive about the use of mobile phones and devices in Victorian schools. At Lalor North Primary School, this means that we do not recommend that students bring mobiles or smart devices to school – this includes watches. We do understand that there are times when a mobile phone or smart device may be required to be brought to school, e.g. if a child is walking home alone.

If a mobile phone or smart device is brought to school, it needs to be switched off and stored securely in a box at the front office.

For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches, even if they are set to 'school mode'. We know that this technology has implications for young people in schools and often causes a distraction from learning. We ask for your support in implementing this policy together. See the policy on our school website.

Eid Al-Adha

Eid Al-Adha is the second and bigger Eid in the Islamic faith.

It's celebrated at the end of Hajj (pilgrimage to Mecca), which will fall this Sunday 16th Of June, it is celebrated over 3 days, Eid moves back 10 days each year due to the Lunar calendar. Eid is celebrated by an early morning prayer, followed by visiting family members and getting together for a big feast and gift giving.

Happy Eid to our Muslim families !

Elizabeth Bryan & Amanda Lee

Do you help your child build their resilience?

Does your child bounce back from setbacks?

Can you child solve problems?

Does your child show care and empathy for others?

Reading

with and to your child

The reading practice that your child gains from reading books they bring home from school every night is invaluable for their reading development.

Here are some strategies that you can use at home to support your child's reading.

2

Avoid guessing!

Encourage your child to focus on letters and sounds rather than relying on pictures. Encourage them to look closely at the word and notice letters, words within words or familiar letter patterns to help them read the word. Relying on pictures may encourage your child to 'guess' the word instead of actually reading the word on the page (Hempenstall, 2016).

5

Read to your child

Bedtime stories, where a book or part of a book is read each night, encourage children to engage with books and build vocabulary and language skills.

Shared book reading can "Facilitate children's language, reading, and spelling achievement throughout their development" (Mol and Bus, 2011).

1

Sounding out words

Encourage your child to sound out letters. For example, for the word 'dog', the child should say each sound individually: d-o-g. If they struggle to blend the sounds together, provide assistance by saying: "d-o-g. That's right, that makes the word 'dog'!" If a sound is incorrect or unknown, point to the letters and provide the correct sounds.

3

Discuss ideas when you are reading with your child

- Discuss the cover, the author, and the illustrator.
- Ask questions about the book. Questions such as, "What do you think will happen next?" and "Why do you think that will happen?" can build inferencing and reasoning skills.
- Discuss the storyline and the pictures. This can help develop your child's critical thinking and comprehension skills. It encourages them to think about the narrative and make connections to their own experiences.

4

Build vocabulary

Talk about new and unfamiliar words. This will enhance your child's understanding of new words and may support their ability to use a wider range when they are speaking or writing.

6

Routine

Try to create a routine for reading at home. Allocate a time and place to read each day.

From the Office

Last day of Term 2

Reminder that the last day of Term 2 is on Friday 28th June, finish time will be at 2.30pm. Please ensure you make arrangements for the earlier pick-up time.

Prep, Grade 1 & 2 Science Push & Pull Incursion

Students in Prep, Grade 1 and Grade 2 have received notices regarding the upcoming Science "Push and Pull" Incursion that will be delivered by Inquisitive Kids on Tuesday 25th and Wednesday 26th June. Parent consent forms and payment for this incursion needs to be returned to the office by **Friday 21st June**. Please contact the office with any queries.

Cooler Weather

Now that we are well and truly feeling the cooler Autumn weather, it is preferred that students wear their jumpers and even beanies to keep warm. Beanies are available for purchase at the office for cash only sales of \$12.00 each, or you can also purchase directly from the uniform shop.

Choir Excursion to Bethel Aged Care Home

Notices have been distributed to students who are in our Prep-Grade 6 Choir, as well as our School & Vice Captains for an excursion to Bethel Aged Care Home on Thursday 27th June. We ask for families to complete the permission form, along with the morning tea and photography consent forms, and return to the office by Tuesday 18th June.

Lost Property

Parents/Carer's are welcome to come to the office and check the lost property bench for missing uniform items. At present we have many jumpers that are not marked with names however any items that are labelled with student's names are returned to them.

Victorian Attendance Legislation

In Victoria, it is compulsory for children and young people aged 6 – 17 years to attend school.

Parents are legally required to ensure their child attends school every day and to provide an explanation for their child's absence from school unless an exemption from attendance has been granted or an exception to their attendance applies.

Evidence shows that daily school attendance is important for young people to succeed in education and to ensure they don't fall behind both socially and developmentally. Young people who regularly attend school and complete Year 12 or an equivalent qualification have better health and employment outcomes and enjoy higher incomes.

The law provides a framework for school's attendance, exemptions and exceptions from attendance and parents' obligations relating to ensuring attendance. The rules are not in place to punish students' time away from school, which can be unavoidable. Instead, the laws are an effort to promote and improve student attendance across Victorian schools.

Responsibility for Ensuring that a Child Attends School

School attendance is mandated under the *Education Training and Reform Act 2006*. It is the responsibility of parents, guardians or anyone who has parental responsibility for a child to ensure the child attends school on a regular basis.

Taking your child for an extended holiday during school term, and what you can do to ensure that their learning needs are supported...

Generally, schools advise against planning a family holiday in term time.

If you are planning an extended holiday discuss this with your school principal well in advance of finalising any plans. The principal has the discretion to decide whether or not to approve the absence taking into account the student's educational interests. If the principal approves the absence, work with your child's school so you support your child's education during their holiday.

Attendance Matters

OUR NETBALL TEAM

We took a moment this week to reflect on our Netball season. We asked our team what their highlights or favourite moments were, and here's what they had to say...

Stella: I enjoyed being able to try different positions and shooting!

Natalia: Playing against someone 3 times my size and I was still able to get the ball!

Samvrata: Being chosen to play on the A team!

Alirrah: My favourite memory was playing against a challenging school and winning!

Amen: My favourite memory was winning our first match!

Danniella: My favourite memory was when the B team finally won a game!

Serina: Scoring the highest amount of goals in one game!

Alexis: I loved supporting my team and assisting in getting goals in!

Jonisa: Working on my defence skills and seeing a huge improvement!

Jed: Shooting heaps of goals for the B team bringing them to their first win!

Skye: Learning to work as a team with the other players and getting Star Performer!

Breakfast Club - Term 2

Breakfast Club has been continuing this term every Thursday morning in the Hall foyer from 8.15 – 8.45.

Students have enjoyed delicious breakfast foods including Weeties, Maple Crunch, porridge, muesli, Cherrios, Quinoa Crunch, tinned fruit, baked beans and other items from time to time. We have also served toast with honey or vegemite.

Every 3rd week we have our world famous pancake day where we've enjoyed delicious, fresh, choc chip pancakes served with bananas and sugar free syrup.

Mr MacDougall and Mr Severino have been supervising Breakfast Club and some of our student leaders have helped out as well.

Any student wishing to start attending Breakfast Club please see the office for a permission slip.

Come join us for a delicious breakfast to start the day!

We've had a fun and busy few weeks at VillageOSHC. We've had fun with the following themes - Reptiles, where we did a variety of activities based on this theme, such as spiral snakes, making crocodiles and making turtles. The following week, we all had fun on Roblox's theme, where we had a Roblox colouring competition, made Roblox characters out of recyclable materials, and a variety of other art and craft activities.

During these weeks, the children got together to play various sporting games and group games of their choice, such as soccer, basketball and tiggy games and had fun making chocolate a chocolate cake. We also enjoyed playing various board games, such Pop n Hop and playing UNO games. They also continued to enjoy building things out of Lego and playing with the toys we have.

I'm also really excited to see more children attending the service this term!

A reminder to book in advance if possible.

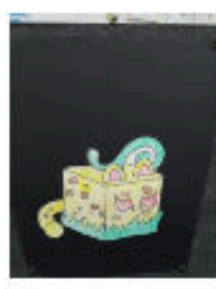

There are a number of advantages to booking in advance:

1. I know in advance to expect your child so I can organise games, food and activities they love.
2. The cost is less. Book 24 or more hours in advance and pay a lower fee!

It's important to book. In a last minute emergency you can even book in LookedAfter up to one minute before the start of the service. The main benefit of booking is that I know to expect your child. If they don't arrive at the service, I know to look for them, which keeps them safe. If they are not booked in and don't appear at the service, I have no idea they were ever attending and don't know to look for them. Keep your children safe and always book in! And to help the service remain organised, and pay the lowest rate, book in advance whenever you can!

Lalor North Primary School Uniform

The purposes of the school uniform are to distinguish the school in public, build a school identity, help build an inclusive environment and to provide parents with cost effective and convenient clothing for school.

Lalor North Primary School has a compulsory school uniform. It must be worn at school, on excursions, at sporting activities and any other special occasions where students represent the school. It's important that every student feels comfortable and has a sense of belonging to our learning community while feeling pride about being a member of our school community each school day.
