## Principal's Message

Hello everyone!

Firstly, we want to take a moment to thank everyone for their hard work and dedication this term for all that we have achieved together as a school community. It's been a fantastic term filled with learning and growth as well as some challenges... and we made it!

With the school holidays beginning, we encourage everyone to take some time to relax and recharge. As always, remember to stay safe, enjoy quality time with loved ones, and make wonderful memories. We look forward to welcoming everyone back for another exciting term. Happy holidays to you all!

A reminder that the first week of term 2 has only two days of school – Tuesday and Wednesday. So, families need to plan around these days, so they are organised.

### Dental Van Visit

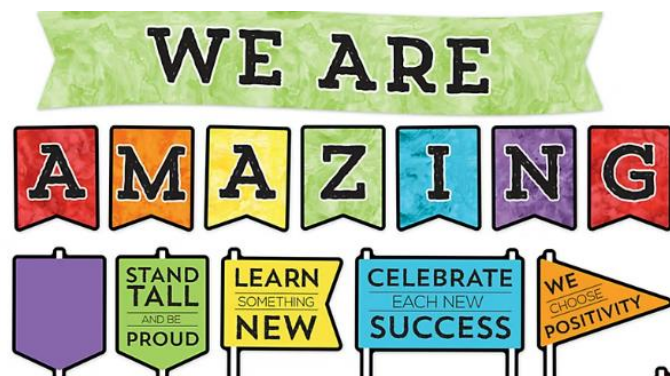

We are pleased to announce that the dental van will be arriving at our school in term 3. Notices will be distributed next term, and we encourage you to complete and return them as soon as possible if you wish for your child to receive dental services. The Dental Van is expected on 28<sup>th</sup> July 2025.

This is a great opportunity to ensure your child's dental health is taken care of conveniently at school.

## Celebrating a Wonderful First Term in Prep!

What an incredible first term it has been for our prep students! This term has been a journey of discovery and growth, and we are so proud of the way our little learners have embraced their new environment and learning experiences.

At the start of the year, they entered the classroom with a mix of excitement and apprehension, learning to navigate new routines, teachers, and friendships. Now, our preps are developing confidence in their reading and writing skills through our structured synthetic phonics approach, recognising letters and sounds, and even attempting to write simple words. They have enthusiastically participated in Numeracy, with hands-on activities, such as counting and developing basic mathematical concepts.

Our classroom library has been a highlight, with students eagerly exploring a wide range of books and developing a love for reading. They are also

learning to work together, share ideas, and build important social skills that will support them throughout their schooling journey.

A heartfelt thank you to our prep parents for your ongoing support. A strong home-school partnership plays a vital role in your child's education, and we appreciate the collaboration in fostering their learning and development.

Congratulations to our Prep 2025 students on a smooth and successful start to their foundation year—we look forward to an exciting Term 2!

### Prep Enrolments for 2026

Secure your Place!

We are filling our places very quickly, so I suggest that you all submit your enrolment for prep 2026 as soon as possible.

I want to extend a **BIG** thank you to all our students, staff, and families who participated in our recent Colour Fun Run! It was an incredible day filled with laughter, happiness, and vibrant colours, making it a truly memorable experience at the end of this term.

Your enthusiasm and support made this event a huge success, and I was thrilled to see how much fun our students had while promoting some health, fitness & fundraising.

I'm also excited to share that we are looking forward to the construction of our new Gaga pit! This addition will provide even more opportunities for our students to engage in active play and creating friendships. It will be built as a result of the fundraising money from the Colour Fun Run. We have just booked this project to begin in term 2.

### **The Victorian High-Ability Program**

The Victorian High Ability Program(VHAP) is an enrichment program that addresses the needs of high-ability students to engage with challenging material in either English or Mathematics, and to meet and exchange ideas with other students like themselves across Melbourne. We are very proud to announce that next term we will have 9 students from Grades 5 and 6 participate in the VHAP Mathematics program.

**Congratulations** to the following students ....

**Jordan D**      **Maggie**

**Orlando P**

**Katina P**    **Mateo R**

**Isabella S**

**Leon R**    **Lukas R**    **Saif S**

*Coming together is beginning, keeping together is progress, and working together is success.*

## Parents and Friends Association /Community Hub

We are officially forming a Parents and Friends Association (PFA) and I invite each of you to join us in this important endeavour. The PFA will be a fantastic platform for parents, guardians, and friends to work together and collaborate on activities, events, and special lunches that will enrich the school experience for our students and create a greater sense of belonging among our students.

### Why Join the PFA @ Lalor North?

1. **Engage with the School Community:** The PFA will provide opportunities to connect with other parents and build relationships that support our students' education.
2. **Support Student Activities:** Together, we can plan fun events and special lunches that create memorable experiences for our children and promote a sense of community spirit.
3. **Share Ideas and Resources:** Your unique skills, ideas, and resources can greatly benefit our school. The PFA will be a space to share and implement these for the betterment of our students.

### How to Get Involved

If you are interested in being a part of the PFA or would like more information, please feel free to contact the office and add your name to the list.

### Join us at Preston Market this Sunday 6<sup>th</sup> April

We will be advertising our Greek Bilingual program at Preston Market this Sunday from 10-3!

We would love to see our current students and parent over there with us for support, to showcase our friendly community.

This is a great way for us to bring exposure to our wonderful program and build an increase in our cohort here at Lalor North

Primary School. We are always open to all students wanting to learn and be a part of our whole school community.

Our Easter Raffle was drawn today. The students were so excited as we had one prize per classroom. It was a wonderful opportunity to celebrate the end of term as well as fundraise for the school. Our Easter hampers were full of toys, books and easter eggs and we appreciated the donations from families.

As a school we also co contributed to create even better hampers.

Congratulations to the lucky winners who will carry them home this afternoon. Thank you to Liz Ketkas for her incredible hamper making skills and to everyone for their support.

All proceeds from the raffle will go towards enhancing our school programs and resources.

In our next newsletter you will get an update on funds raised.

## Parents – Reach out to Staff for Solving Problems

As we strive to maintain a safe and respectful environment for our students, we want to remind everyone of the importance of following our school's communication process when concerns arise. **Do not approach other children and instruct them yourselves.**

If a concern or problem occurs, please start by speaking directly with your child's classroom teacher. They are best equipped to address school related matters. If further assistance is needed, you may then reach out to the area Assistant Principals.

We kindly ask that parents do not approach other students directly. It's vital that we all work together in the right way to ensure we have a respectful and friendly school community.

Thank you for your cooperation and understanding. Together, we can ensure our school remains a safe and positive place for all.

We are excited to announce that our swimming program will commence in Week 2 of Term 2, with 140 students participating! This is a fantastic opportunity for our children to develop their swimming skills and enhance their water safety knowledge.

For those students who will be staying back at school, we have organised a **dry swimming program** that will complement the aquatic experience, ensuring every child benefits from this whole school focus of swimming safety for the term.

We are pleased to offer this program at a heavily subsidised rate, making it affordable for all families. The price includes transportation to and from the venue, ensuring a seamless experience for everyone.

Water safety is our top priority, and we believe this program will equip our students with essential skills that will last a lifetime.

Thank you for your continued support as we promote a safe and healthy environment for our students.

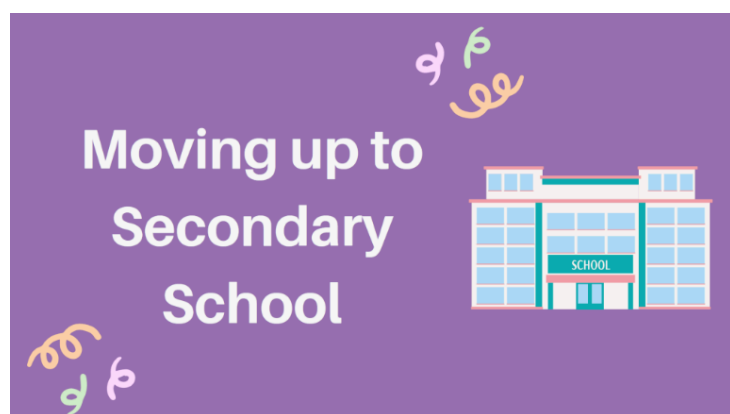

As we prioritise the safety of our students, we want to remind everyone about the importance of being careful when driving and parking around the school. With many children walking and playing in the area, it is crucial that we all act responsibly to ensure a safe environment. We don't want to see any accidents or see anyone hurt or injured.

Please take extra care when navigating the school zone, adhere to speed limits, and watch for students crossing the road. We encourage everyone to use designated parking areas and to avoid double parking or blocking driveways.

Dumping rubbish on our neighbour's nature strip is disrespectful and unkind. It is also not permitted and considered an offence. Please look after our neighbours.

As a school community, we must work together to keep our surroundings safe. Your cooperation in following these guidelines makes a significant difference in protecting our children and being respectful of the community that live around the school.

### Secondary School Placement

Families of Grade 6 students can expect to receive the "Year 6 to 7 Placement Information Pack for 2025-26" in the first week of Term 2.

The Department of Education has useful information for Parents and Carers on how

to enrol and support their child moving from Primary to Secondary School at

<https://www.vic.gov.au/moving-primary-secondary-school-information-parents-and-carers>

Once again, we wish you a wonderful school holiday break and we look forward to seeing you all safe, well and happily back at school in term 2 on Tuesday 22<sup>nd</sup> April at 9am.

# GREEK INDEPENDENCE DAY

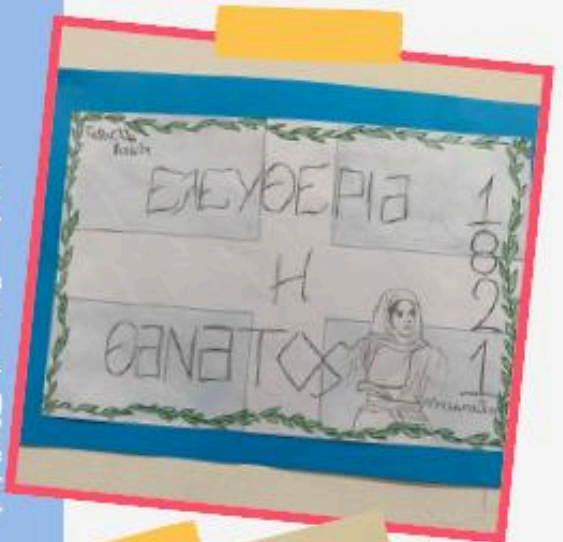

## 25η Μαρτίου

This week, Greeks worldwide commemorated Greek Independence Day. On 25<sup>th</sup> March in 1821 the Greek people began their fight for independence, after 400 years, against the Ottoman Empire.

All our students in the Greek Bilingual Program have been learning about the significance of this day, in class, throughout the week.

Our senior students were invited to perform for the Greek Orthodox Community of Whittlesea on Monday. They sang songs, recited poems and danced. The event was attended by family and members of the community. The students were awarded with certificates of participation and thanked for their contribution in making it a memorable day for everybody.

Αυτήν την εβδομάδα οι Έλληνες σε όλον τον κόσμο τιμήσαν την Επανάσταση του 1821.

Στις 25 Μαρτίου 1821, ο Ελληνικός λαός ξεκίνησε τον αγώνα για ανεξαρτησία, μετά από 400 χρόνια, ενάντια στην Οθωμανική Αυτοκρατορία.

Όλοι οι μαθητές μας στο Ελληνικό Δίγλωσσο Πρόγραμμα έμαθαν για τη σημασία αυτής της ημέρας μέσω διάφορων δραστηριοτήτων.

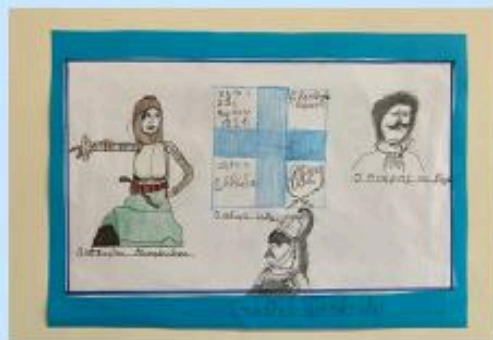

Οι μαθητές μας στην Δ', Ε' και ΣΤ' τάξη προσκλήθηκαν να παρουσιάσουν μικρή γιορτή στο Greek Orthodox Community of Whittlesea τη Δευτέρα όπου διασκέδασαν το κοινό με τραγούδια, ποιήματα και χορό. Παρεβρέθησαν οικογενειακά πρόσωπα και μέλη της κοινότητας.

Η εμπειρία θα μείνει αξέχαστη για τους μαθητές μας.

## “Ελευθερία ή Θάνατος”

The celebration was more than just an event—it was a journey through the stories, struggles, and triumphs that shaped Greece's path to independence. Students of all ages engaged with historical documentaries and storytelling, allowing them to connect with the courage and resilience of those who fought for freedom.

Through a variety of activities, songs, and an immersive experience into the historic events that led to Greece's freedom, the students deepened their understanding of this important day in Greek history.

The students were inspired to express their emotions through art. They created beautiful artworks reflecting the themes of freedom, bravery, and patriotism, showcasing their creativity and understanding of the historical context that defines Greek Independence Day.

1821

Θα ήθελα να τιμήσω κάποιους από τους ήρωες της Ελλάδας: τη Λασκαρίνα Μπουμπουλίνα, το Ρήγα Φεραίο, το Θεόδωρο Κολοκοτρώνη, τον Κωνσταντίνο Κανάρη, τη Μαντώ Μαυρογένους, τον Αθανάσιο Διάκο και το Μάρκο Μπότσαρη.  
Chrysoula Yr 5

Our Students wrote

On Monday 24th March, students from B6 and some year 4 students from B1 went to the Whittlesea Greek Orthodox Citizens Community Hall to perform in front of our families and community members. Over at that Community hall, we read our poems about 1821, we sang songs and even did Greek dances. This is how we pay our respects to the Greek Heroes that won the freedom for Greece.

Alexi Yr 6

In 1453, the Greeks got occupied by the Ottoman Empire. They were enslaved for 400 years. The Ottomans occupied Konstantinoupoli, the capital city of the Byzantine Empire. In 1821, the Greek people had had enough and they said 'Ελευθερία ή Θάνατος/Freedom or Death'. They started to fight back to get back their freedom. After 9 years, they were able to win back their freedom.

Stathis Yr 5

Τη Δευτέρα πήγαμε στο Whittlesea Greek Citizens Community Hall για να τιμήσουμε την ημέρα της Ελληνικής Ανεξαρτησίας. Παρουσιάσαμε το "Χρονικό 1821 μέχρι 1828" όταν η πρώτη φάση του Αγώνα τελείωσε και ένα μέρος της Ελλάδας ελευθερώθηκε. Είπαμε τα ποιήματά μας, χορέψαμε και τραγουδήσαμε Ελληνικά τραγούδια. Φοβόμουνα και λίγο όμως τελικά ήταν καλά. Οι γονείς μου ήρθαν και με είδαν. Μετά την παράστασή μας φάγαμε πολύ νόστιμο παραδοσιακό φαγητό.

## Our younger students

πέρασαν όμορφα ανακαλύπτοντας το νόημα της Ελληνικής σημαίας. Έμαθαν για τα χρώματα και τα σύμβολα και τι αντιπροσωπεύουν και φυσικά δημιούργησαν τις δικές τους σημαίες. Τις σημαίες τους τις πήραν στο σπίτι για να στολίσουν το δωμάτιό τους τιμώντας την Ελληνική τους καταγωγή.

# SRC Report Week 10 Term 1

The Student Representative Council (SRC) has been hard at work during Term 1 to provide a way to give voice to the students within Lalor North Primary School. Each class in grade 3-6 selected a representative from their class to the SRC. These students are paired with a buddy room for students in Prep - Grade 2 to have voice in matters across the school.

## SRC Members 2025 and Buddy Rooms

	SRC Reps		Buddy Room
Wattle 3	Ivy	Hamza	Wattle 7
Wattle 4	Taylan	Ali	Wattle 2
Wattle 5	Tai	Rayan	Wattle 8
Banksia 1	Mia	Elora	SPARE - Banksia 2
Banksia 4	Chelsea	Sofi	Banksia 8
Banksia 5	Mila P	Andrej	Banksia 9
Banksia 6	Lukas	Emilia	Banksia 2
Banksia 7	Mateo	Filip	Banksia 3

The SRC have surveyed the students across the school to identify a preference for a range of lunchtime clubs that would take place across the week. Below are the most popular selections by the students:

**Monday - Art Club with Art Captains and Ms Mascia**

**Tuesday - Choir with Ms Teresa**

**Wednesday - Talent Show with Ms Teresa**

**Thursday - Soccer Club (Starting Term 2) with Mr Mac**

**Friday - Minecraft Club (Starting Term 2) with Mr Dickinson**

With the success of our Colour Fun Run our school is hoping to build a new Gaga pit in the space where the Grade Prep playground used to be. Gaga is a fast paced, high energy sport played in an octagonal pit. The SRC are very excited about this new addition to our school as this is a highly popular game that is played at school camps.

# Lalor Districts Athletics Carnival 2025

*On Tuesday 25th of March, 33 students from Lalor North PS represented our school at the annual Lalor Districts Athletics Carnival at Meadowglen Stadium.*

*Our students competed against students from the other 12 schools in our Lalor District in different running, jumping & throwing athletics events. Students competed in the under-10, under-11, and under-12 year old age groups. Everyone did a fantastic job representing our school, achieving some great results & demonstrating our school values by trying their best and showing great sportsmanship.*

*The following students placed in their events, and our whole school is very proud of their achievements.*

Introducing a new segment in our newsletter

## *eSafety and being Cyber Conscious*

*How many children love playing games online and are fascinated by phones/tablets?*

With technology developing and becoming a big part of everyday life and continuing to develop and progress in the future, it is important to understand how this affects our students here at Lalor North Primary School. This becomes vital in being able to support and advocate for safe and appropriate use of technology and devices, ensuring our students are set up for success and protected with knowledge around cybersecurity.

This new area in our newsletter aims to communicate the ways we can support our students in using devices as well as brining awareness about the risk associated with inappropriate use of technology. This may include cyberbullying, safer online gaming, online privacy, and overall tips on sharing the use of devices with children and helping them navigate the online space.

Sometimes these topics can be difficult to navigate with children, however with the right support and knowledge we can work together to make the online space a safe and exciting environment for all.

Let us know what you think over on our Facebook page @LalorNorthPrimarySchool we would love to support our local community in any way that we can and appreciate any feedback. We all want our children to be safe right?

Attendance plays a big part in a child's learning journey.

Research from The Kids Research Institute Australia indicates that every day a child is absent can negatively impact a child's learning journey and future achievements. Any days absent slowly add up and continue to grow, making it harder for students to catch up and achieve success.

✨ We know our little stars can shine! ✨

To support our students in their learning journey and create success let's work together to achieve the best attendance we can!

## Lalor North Primary School Uniform

The purposes of the school uniform are to distinguish the school in public, build a school identity, help build an inclusive environment and to provide parents with cost effective and convenient clothing for school.

Lalor North Primary School has a compulsory school uniform. It must be worn at school, on excursions, at sporting activities and any other special occasions where students represent the school. It's important that every student feels comfortable and has a sense of belonging to our learning community while feeling pride about being a member of our school community each school day.
