IN THE LOOP

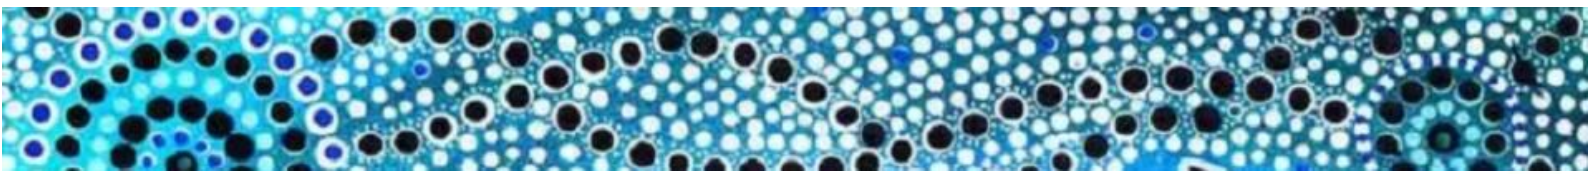

Happy Mother's Day to All the Wonderful Women of Lalor North Primary School!

On Sunday, we celebrate and honour the incredible women who make our school community so special – mothers, grandmothers, carers, aunties, teachers, support staff, and volunteers. Whether you're raising children, nurturing young minds, or lending a helping hand behind the scenes, your kindness, strength, and dedication do not go unnoticed.

Thank you for the love you give, the lessons you share, and the countless ways you support our students every day. You are the heart of our community, and we are grateful for everything you do. *Wishing you a beautiful and joyful Mother's Day!*

Acknowledgement to Country

We are learning on Wurundjeri Country and in the spirit of reconciliation, Lalor North Primary School acknowledges the Traditional Custodians of the land on which we are learning. We pay our respects to their Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Our School Values

Principal's Message

We are thrilled to share some wonderful news with our school community—our new play area with mudstone sandpit have officially been completed and are already bringing smiles and excitement to our students!

This project has been a true collaboration. Our **Student Representative Council (SRC)**, along with other **student leaders**, played a key role in helping design the space. They provided fantastic ideas, thoughtful feedback, and helped ensure the area reflects what our students love most about outdoor play. We are incredibly proud of their leadership and creativity.

Thanks to the generous support of the **Active Schools Grant**, this vision was able to come to life. The grant has allowed us to create a safe, inclusive, and engaging outdoor space and garden area that promotes active play, social connection, and imaginative fun for all students. The new sandpit is certainly going to be a hit and we look forward to seeing our students enjoy this fantastic new space for many years to come!

The Attitudes to School Survey

The Attitudes to School Survey (AtoSS) is an annual Department of Education survey for Grade 4 to 6 students, that captures students' attitudes to and experiences at government schools.

All government schools must participate in AtoSS, providing the opportunity for students from Year 4 to Year 12 to complete the survey. The survey provides data that helps the department understand student perspectives of their school and to improve the schooling experience.

Data collected includes how students feel in relation to their school, their learning, peer relationships, resilience, bullying, health and wellbeing, physical activity, and life in general.

Data from the survey is used to inform school improvement and planning to support student learning and wellbeing. Please see additional information in the letter attached.

This survey is **voluntary**. If you **do not** want your Grade 4 to Grade 6 child to participate in this survey, please email the school at lalor.north.ps@education.vic.gov.au to opt out, before the survey starts on the 15th of May 2025.

Village OSH Program Meeting

~ Thursday 15th May 6pm to 7pm ~

We invite all families who use the Before and After School program to join us for a special Q&A session with the Regional Manager of Village OSH. This meeting is a valuable opportunity for parents to share feedback, raise any concerns, and work collaboratively with the Manager to help improve the program for our children. The meeting will be held in our staffroom.

It's time to enrol for **Prep 2026**, and we're thrilled by the strong interest in our school! We've had many successful tours with prospective families, and enquiries continue to come in daily. Submit your enrolment to secure a spot!

Our next **Prep Parents Coffee and Chat** is coming up soon. Parents of Preps are encouraged to come along and enjoy time together. It's an opportunity to ask questions and gain clarity on how children learn and engage in the school environment. Kim and I will be in attendance and we will explain the way reporting to parents works at our school as well as other things related to the prep year.

Thursday 15th May 9am to 10am...See you there!

Places are filling quickly, so we encourage families with Prep-aged children to **submit enrolment forms as soon as possible** to avoid missing out. Early enrolment helps us plan effectively and ensures a smooth start for our newest learners. We look forward to welcoming our next group of Preps into our school community!

Some Useful Reminders.....

Secondary School Placement

Thank you to the families of Grade 6 students who already returned the "Year 6 to 7 Placement Information Pack for 2025-26". The application form included in this information pack is required to be completed and **returned to the LNPS office by Friday 9th May**. Please contact the office if you have any queries, or if you require an additional form, on 9465 4922.

The Department of Education has useful information for Parents and Carers on how to enrol and support their child moving from Primary to Secondary School at <https://www.vic.gov.au/moving-primary-secondary-school-information-parents-and-carers>

Parents and carers may find it useful to check the April 2025 Digital Edition of the Government Schools Guide using this link: <https://victoriaschoolguides.starcommunity.com.au/government-schools-guide/>.

Prep 2026 Enrolments

Enrolments for Prep 2026 are now being accepted and we are getting close to capacity for some programs already.

Any of our current families who have a child ready to commence Prep in 2026 are encouraged to contact the office as soon as possible to request an enrolment form, either in person or to have this emailed. Alternatively, the enrolment form can also be found on our school website <https://www.lalornorthps.vic.edu.au/> under the "Enrolment" tab. Please contact us with any queries on 9465 4922.

The Department of Education urge families to submit their prep enrolment forms by Friday 25th July.

Lost Property

Parents are welcome to come and check our lost property area which is in the reception area at the main office for any clothing or swimming items that have gone missing. All uniform, hat and swimming items should be named. Our staff return to students any items found that are named.

Dry Swimming Program Highlights: Sun Safety First!

As part of our Dry Swimming Program, students in B7 are learning vital water and outdoor safety skills—even without getting wet! This week, the focus was on **sun safety** and understanding the importance of protecting ourselves from **harmful UV (ultraviolet) rays**.

Students explored the **Slip, Slop, Slap, Seek, Slide** sun safety guidelines:

- ☀️ *Slip* on protective clothing
- ☀️ *Slop* on SPF 30+ sunscreen
- ☀️ *Slap* on a wide-brimmed hat
- ☀️ *Seek* shade during peak UV hours
- ☀️ *Slide* on sunglasses

With rising UV levels, it's more important than ever for children to develop safe sun habits.

WATTLE 5

This week in Wattle 5, we have learnt about understanding strong emotions, by investigating how our individual emotional responses vary. We also described situations that can lead to strong emotional responses. All of the students created their own emotions thermometer showing their understanding of the strong emotions they feel.

I liked that we got
to share our
emotions.
- Aura

The angrier you are or the stronger the emotion the higher you are on the thermometer.
- Rayan

It kept me calm and showed that we all have similar emotions.
- Savannah

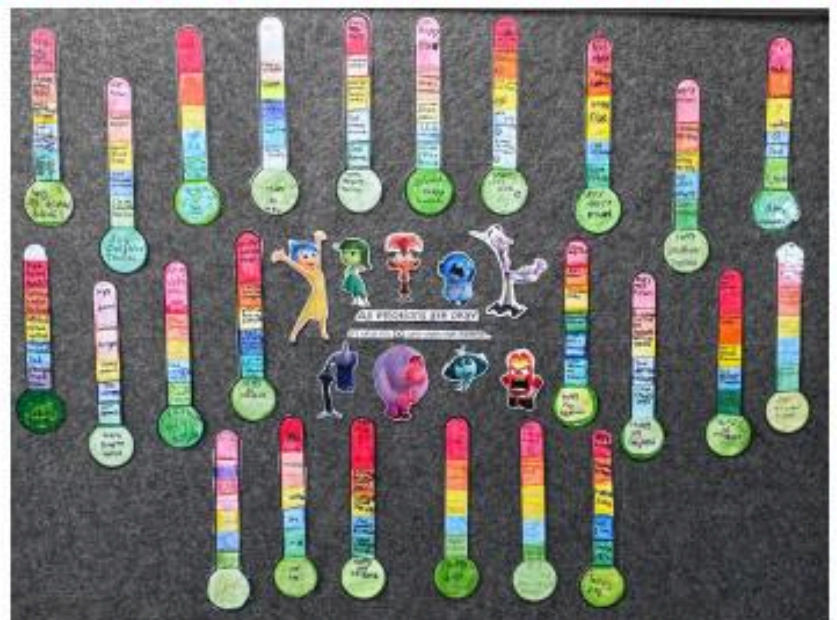

I learnt that everyone shows their emotions in different ways.
- Charlie

It kept me calm and showed that we all have similar emotions.

What's going on in W4?

We learnt about...

This week W4 dove into the world of Figurative Language. We explored imagery, metaphors, similes and personification. Each of the student's showed off their poetic sides by creating a poem centred around personification.

They included settings like the garden, soccer field and a haunted house. Please come visit the hallway in front of our classroom to have a read of our wonderful work!!

The classroom

The pencil dances along the pages as the students write there recount of the weekends , the pencil cries as its being scraped across the page

The poster cries as its being torn off the wall, the poster says its last good bye as its slowly being ripped apart in the bin

the new poster is coming to replace the old one

The hand sanitiser yells happily while being refilled , the hand sanitiser hopped into its spot and stayed until next year

The students clean the chairs as they cry the chairs grunts while being stacked onto each other and get locked up away

The bell rings as its the last day of school , students run out pushing the door wide open making the door scream students grab phones and notes

And now all the objects are all relieved phew until the first day back at school bags packed ready to go holidays have started

In the garden

In the garden the bush mows, it waits for people with 2 hands, The grass is whooshing, The wind is howling,

The flowers are colourful like a rainbow, They flow with the wind, All the bad flowers, Get put in the bin,

It's sunny outside, I see some really busy bees, They are having a good time, The sun is smiling at me,

The clouds are walking around the day, They are blocking the sun, The clouds are very high, And people having fun of fun,

The carrots are growing as long as snakes, Potatoes are growing to big as boulders, the veggie patch was with the elephants, The tomatoes are as round as a ball,

The people are swimming and splashing, We are having fun in the pool, The water is as blue as the sky, It's nice and cool,

From bright to dark,
The Sun slipped, and fell down the horizon.
The Moon stepped up and shifted the waves,
And the kids went home, at the end of the day.

It's the beginning of a new day,
The Sun climbs back up the sky,
Knocking The Moon down to the other side.
The town is waking up,

The road is as busy as a businessman,
All the traffic lights keep everything in order,
So the students can go to school,
And the parents can go to work.

Poetry

This term, students have been learning about writing poetry. They have explored the effects of similes, metaphors and personification. Drop past Wattle 3 to see more of our poems on display.

Thunderstorms

Jerome

The waves were like mountains
eating the world as the sky turned
dark and people swam to land as
they barely made it out.

The storm circles around
the endless waters,
lighting strikes the water
with all its strength.

The people froze as they
saw a terrible storm heading their way. People
saw the others swim to shore.

Marchella

Lightning

In the clouds angrily attacking
The Earth surface

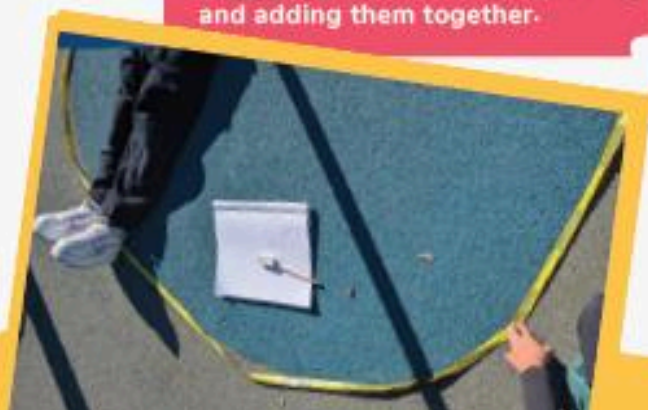

Crying like a sad moan
Over the sky
Tearing down drops of water

Spreading electricity to zap things
among it like an angry rhino

Dancing in the sky slowly flying away
The wind, disappearing
As the sky delight

Numeracy

This week, students have been learning how to apply their addition knowledge by measuring the perimeter of shapes. We have been measuring the sides of shapes and adding them together.

School Saving Bonus reminder and allocation to school activities

The Victorian Government is delivering the School Saving Bonus (SSB) – a one-off support of \$400 for eligible government school students from Prep to Year 12 in 2025.

The SSB can be used for uniforms and textbooks until Monday 30 June 2025.

Any funds remaining after 30 June 2025, including online voucher amounts that have not been redeemed, will become a credit to use on school activities. However, the credit will not be available on your family account at our school until late July.

To use any remaining SSB funds to cover the cost of school activities in July, please refer to the [SSB online system](#) and allocate the funds to school activities before 30 June 2025.

To learn more about the SSB online system, download the step-by-step [System guide for parents and carers \(DOCX, 945KB\)](#) or watch this [School Saving Bonus video](#). [System guide translations](#) are also available in 14 languages.

The Department of Education's SSB contact centre will remain available until 30 June 2025. The contact centre can be reached by:

- completing the [School Saving Bonus enquiry form](#)
- calling 1800 338 663, between 8:30 am and 4:30 pm on weekdays.

After this date, please contact our administration team for any SSB related questions.

Camps, Sports and Excursions Fund

The Camps, Sports and Excursions Fund (CSEF) helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, or are a temporary foster parent, you may be eligible. A special consideration category also exists for asylum seeker and refugee families. Means-tested concession cards must be valid on the first day of Term 1, 2025 (Tuesday 28 January 2025) or Term 2, 2025 (Tuesday 22 April 2025).

A student aged 16 years and over who is considered a mature minor and holds a valid concession card is also eligible to apply.

Eligible families will receive a payment of \$154 per year for primary school students. The funds will be paid directly to the school to be used towards camps, sports and excursion costs for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 9465 4922 and ask for an application form. Please return completed application forms to the school office as soon as possible.

Lalor North Primary School Uniform

The purposes of the school uniform are to distinguish the school in public, build a school identity, help build an inclusive environment and to provide parents with cost effective and convenient clothing for school.

Lalor North Primary School has a compulsory school uniform. It must be worn at school, on excursions, at sporting activities and any other special occasions where students represent the school. It's important that every student feels comfortable and has a sense of belonging to our learning community while feeling pride about being a member of our school community each school day.
