

The Magic Of Books

At Lalor North Primary School, we believe books hold a special kind of magic. They open doors to new worlds, spark imagination, and inspire curiosity. For children, every page turned is an opportunity to dream, discover, and grow. Books not only build literacy and knowledge but also nurture empathy, creativity, and resilience. When our students lose themselves in a story, they gain more than words on a page – they gain the power to imagine a brighter future.

Acknowledgement to Country

We are learning on Wurundjeri Country and in the spirit of reconciliation, Lalor North Primary School acknowledges the Traditional Custodians of the land on which we are learning. We pay our respects to their Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Our School Values

Honesty

We communicate openly and work together to solve problems. By demonstrating honesty and acting with integrity we build trust, which enables us to collaborate, to take greater risks with our learning and to be more resilient when things go wrong.

Respect

We respect ourselves, our school and each other, and understand that our attitudes and behaviour have an impact on the people around us.

Unity

We have many languages, come from many backgrounds and are a school of many differences, but we speak with one voice, as one school. We develop a sense of connection and belonging within each part of our school, and across the whole school.

Success

We help each other learn so that everyone experiences success every day. Success means doing new things, learning new skills, finding new ways of thinking and solving interesting, complex and challenging problems.

Resilience

We know trying new things, experiencing challenges and bouncing back from adversity are central to life and to learning. Only by building our resilience can we experience strong levels of growth.

Principal's Message

Dear Families,

What a vibrant and inspiring term it has been at Lalor North Primary School! Our classrooms and school grounds have been alive with exciting learning opportunities, creativity, and community spirit. I am so proud of the energy and enthusiasm shown by our students, staff, and families. Here are some of the exciting things happening at Lalor North Primary School.....

Annual Book Character Parade

We celebrated the enormous success of our annual Book Character Parade. Students and staff embraced the theme with enthusiasm, creativity, and colour. The parade brought so much joy to our community and highlighted the love of reading that sits at the heart of our school. The love of books and characters came to life in a spectacular fashion which brightening up our week!

Macedonian Concert Preparation

Our students are busily preparing for the upcoming Macedonian Concert scheduled for Wednesday 10th September, celebrating Macedonian Independence Day. We welcome parents from 1.45pm and the concert will start at 2pm. The dedication from our staff and students in rehearsals is always there and it is a very busy time for the unit. We look forward to sharing this rich cultural experience with our community.

Creative Art

In the art room, our students have been exploring a variety of techniques and materials to produce truly stunning pieces. Their creativity has shone through in every project, and we are excited to showcase their artworks later this year. You will see their artistic expressions in the next newsletter.

Incursions and Excursions

This term, our learning has been enriched by several engaging incursions and excursions. These opportunities bring the curriculum to life, broaden our students' perspectives, and spark their curiosity in new and exciting ways. Our excursion planning is carefully planned to be able to have rich cross curricular links to double loop the learning and embed core understandings.

We're excited to announce that **Lalor North Primary School will be running a Sausage Sizzle at Bunnings Epping tomorrow**. This is a great fundraising opportunity for our school — and a great way to connect with our local community.

To make this a success, we still need **parent volunteers** from 1.30pm to help with cooking, serving, and setting up. Even an hour of your time would be greatly appreciated.

If you're available to help, come along and join in...

Your support makes a real difference!

Sun Smart and Hat Wearing

As the weather begins to warm up, it's time for our students to start wearing their school hats during outdoor play and PE sessions. Lalor North Primary School is a proud **Sun Smart school**, and it is vital our students protect themselves from harmful UV rays during Term 4 and the warmer parts of Term 3.

Please ensure your child has a clearly named school hat in their bag every day. If your child does not have a hat, now is the time to get organised and purchase one. Hats can be purchased from Lowes in Westfields.

Macedonian Independence Day

On Monday 8th September represents a significant moment in history – **Macedonian Independence Day**.

On this day, we honour the spirit of resilience, unity, and the unwavering dedication of the people of Macedonia in their quest for independence and self-determination. It is a day to celebrate the rich history, traditions, and the enduring strength of the Macedonian people.

To our Macedonian families, both within our school community and around the world, we acknowledge this momentous day. Your heritage enriches our school's tapestry, and your commitment to preserving your cultural legacy is truly inspiring.

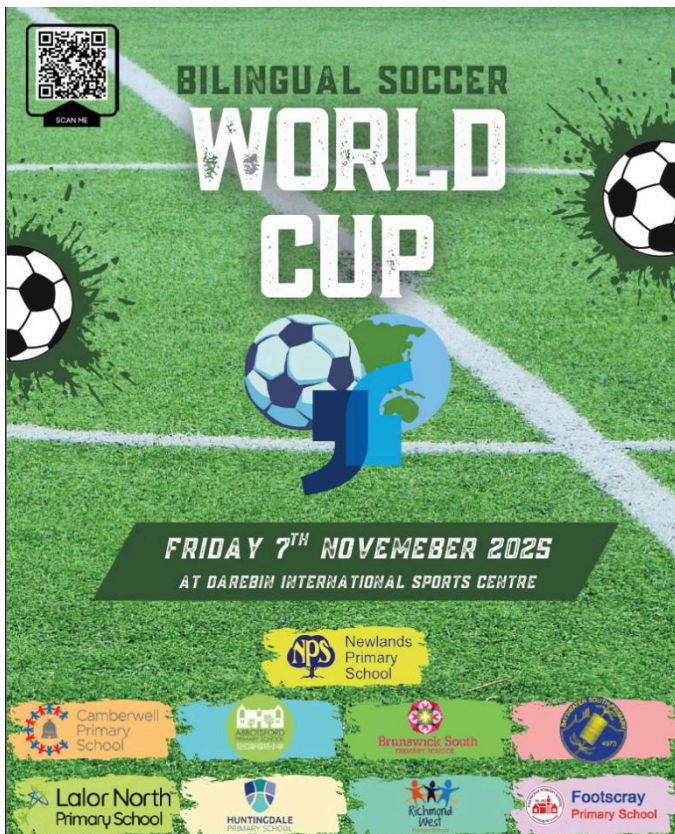

Среќен Ден на Независноста!

Parent Opinion Survey – We Value Your Voice

A big thank you to the families who have already completed the Parent Opinion Survey. Your feedback helps shape our priorities and improvements as a school.

If you haven't yet had a chance, there's still time. The survey is open until Friday 19th September and only takes 10–15 minutes to complete. Please check your email or Compass for the unique link.

Your input is confidential and greatly appreciated.

Bilingual School World Cup – Coming Soon!

One of the most exciting initiatives on the horizon is our very first **Bilingual Schools World Cup**, involving 10 other bilingual schools in Victoria.

This is a groundbreaking event for Lalor North Primary School, and we are proud to be at the forefront of promoting bilingual education and community connection through sport and collaboration.

We can't wait to represent our school and languages.... stay tuned for more information in early term 4.

Incidents and Keeping our Community Safe

From time to time, incidents may occur within or near our school community that understandably cause concern among parents, students, and staff. When this happens, I want to reassure you that Lalor North Primary School follows strict and well-established procedures in line with the Department of Education's policies.

We work closely with the Department of Education, Victoria Police (where necessary), and other relevant agencies to address situations promptly and professionally.

I want to also emphasise that there is no need to panic when an incident is reported or discussed in the community. While it's natural for parents to worry, please know that your children's safety is always our top priority. All schools are well equipped to respond to a range of situations, and our staff are trained to follow proper procedures calmly and responsibly.

At times, the nature of certain incidents means that details cannot be shared publicly. This is not about withholding information — it is about protecting the privacy, dignity, and rights of all individuals involved, especially our students. Some matters are considered confidential by law, and we are guided by privacy legislation in what we can and cannot share.

As Principals, we are trained well, and we always seek guidance and advice where needed to ensure we are responding appropriately, and to make informed decisions in the best interests of our school community.

We are committed to being open and transparent where possible. At the same time, I ask for your understanding that not all information can be made public particularly if it involves sensitive issues.

Nangak Tamboree Wildlife Sanctuary Excursion

Emilia- "Spiders are an example of invertebrates."

B8

Ethan- "Different tree hollow boxes are used to protect the animals from predators because, depending on the size of the hole, predators may not be able to get inside."

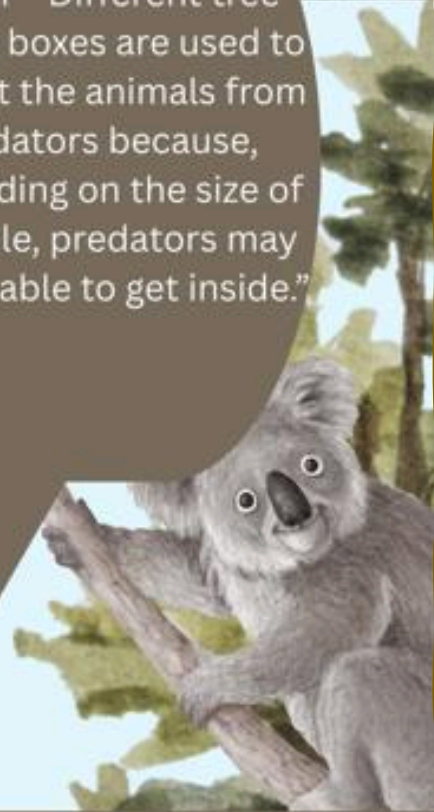

Christopher- "A life cycle of a frog begins with an egg, followed by a tadpole, then a baby frog (which still has a tail) and finally an adult frog."

Samoil- "Water fleas swim fast to escape from predators."

On Friday, August 22nd, the Grade 1 and 2 students enjoyed an exciting and educational excursion to Nangak Tamboree Wildlife Sanctuary.

It was a day filled with fun, learning and exploration, where students demonstrated curiosity, teamwork and a genuine appreciation for native wildlife. They were engaged and eager to learn, truly embracing the role of young biological scientists and nature explorers.

HUDA:

'I LIKED THE RAINBOW BIRDS AND FINDING THE BUGS'

NOOR:

'I LIKED LOOKING AT THE WORMS AND BUGS WITH STEFAN, TOBIAS AND RUQUAYAH'

DESTINY:

'I LIKED WHEN WE WALKED AROUND WE SAW A POSSUMS HOUSE'.

ON FRIDAY THE 22ND OF AUGUST, THE GRADE 1 AND 2 STUDENTS WENT ON AN EXCURSION TO NANGAK TAMBOREE WILDLIFE SANCTUARY. DURING THE VISIT, STUDENTS EXPLORED AND DISCOVERED THE LIFE CYCLE OF DIFFERENT BUGS, LEARNED ABOUT THE INSECTS THAT LIVE IN OUR WATERWAYS, AND OBSERVED THE WOODEN HOUSES IN THE TREES THAT BELONG TO DIFFERENT ANIMALS. IT WAS AN EXCITING AND HANDS-ON LEARNING EXPERIENCE THAT HELPED STUDENTS CONNECT WITH NATURE AND DEEPEN THEIR UNDERSTANDING OF THE ENVIRONMENT.

CHASE:

'I LIKED THE WHOLE EXCURSION, IT WAS FUN'

IMAX & THE MUSEUM

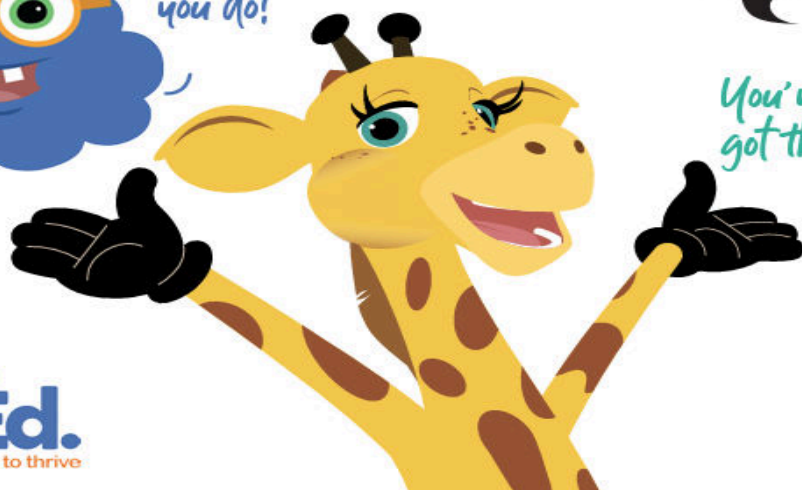

We had such an amazing time on our excursion to IMAX and the Melbourne Museum! At IMAX we watched Elephants 3D and followed Little Foot, a desert elephant, on his journey across Africa. We also explored some awesome exhibitions: Bugs Alive, the Forest Gallery, the Dinosaur Walk, and the Triceratops Exhibition. It was so much fun seeing real-life examples of living, non-living and once living things, which we've been learning about in class.
