Learning through languages

Languages is our Superpower!

At our school, we believe that learning languages opens hearts and minds. Through discovering new words, cultures, and ways of thinking, our students become confident communicators, curious learners, and global citizens. We celebrate bilingualism as a superpower - nurturing not only language skills but also empathy, creativity, and a lifelong love of learning...

Acknowledgement to Country

We are learning on Wurundjeri Country and in the spirit of reconciliation, Lalor North Primary School acknowledges the Traditional Custodians of the land on which we are learning. We pay our respects to their Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Our School Values

Honesty

We communicate openly and work together to solve problems. By demonstrating honesty and acting with integrity we build trust, which enables us to collaborate, to take greater risks with our learning and to be more resilient when things go wrong.

Respect

We respect ourselves, our school and each other, and understand that our attitudes and behaviour have an impact on the people around us.

Unity

We have many languages, come from many backgrounds and are a school of many differences, but we speak with one voice, as one school. We develop a sense of connection and belonging within each part of our school, and across the whole school.

Success

We help each other learn so that everyone experiences success every day. Success means doing new things, learning new skills, finding new ways of thinking and solving interesting, complex and challenging problems.

Resilience

We know trying new things, experiencing challenges and bouncing back from adversity are central to life and to learning. Only by building our resilience can we experience strong levels of growth.

Principal's Message

Dear Families,

Spring has arrived, bringing with it longer days, some windy days and finally some sunshine. We are certainly feeling a wonderful sense of renewal. As we arrive at the end of term three, I am so excited about everything our students, staff, families and school council have achieved together. There is a real buzz of energy and enthusiasm across the school, with so many successes that bring a sense of pride and warmth. As a school community we have lots to celebrate as we have many positives in learning, connection, and community spirit here at Lalor North Primary School.

Victorian Principal Conference

Last week, Kim, Amanda and I attended the Victorian Principal Conference, joining principals from across the state. We shared ideas and discussed how schools can best support students to thrive in an ever-changing world. It was a wonderful opportunity to reflect on the fantastic work happening at Lalor North and to bring back new inspiration and strategies to support our students.

High Abilities Program

We continue to celebrate the achievements of students in our [High Abilities Program](#). These children have been exploring advanced challenges that stretch their thinking and creativity. Their enthusiasm and determination are truly inspiring, and it's wonderful to see them embrace new opportunities for growth. Term 4 planning for High Abilities is well under way.

Macedonian Bilingual Program Concert

One of the highlights of the term was the [Macedonian Bilingual Program Concert](#). What a joyful celebration of culture, language, dance, and music! The students performed with such confidence and pride, and the concert was a beautiful reminder of how special our bilingual programs are. Thank you to the staff, families, and community members who supported this memorable event. Have a look at all the wonderful photos of the event in this edition of our newsletter.

Parent Payments 2026 – Planning Ahead

As we prepare for 2026, we have just finalised our Parent Payments with the school council, and plan to be distributing these to families in early Term 4. This year, Parent Payments will be organised per program—the Greek Bilingual Program, the Macedonian Bilingual Program, and the Standard Program. Each program has its own unique needs and points of difference, and this structure ensures that resources directly support the learning experiences of every child in the specific programs they learn in every day.

To make these programs as rich and successful as possible, we rely on the support of all our families. Your contributions help us provide high quality resources, cultural events, and learning opportunities that make Lalor North Primary School such a special place to learn. Together, we can continue to grow and strengthen the programs that set our school apart.

GO Orson!!

We are incredibly proud of **Orsen Y**, one of our talented students, who recently discovered an error in a mathematical equation published by the Department of Education. The equation was set at a **Year 10 level**, making Orsen's achievement all the more impressive.

His sharp eye for detail and strong mathematical thinking caught the mistake, which was later acknowledged and appreciated by the Department. This remarkable moment not only highlights Orsen's abilities but also shows the power of curiosity, persistence, and confidence in learning. Well done, Orsen, you have inspired us all!

WOW!
VERY IMPRESSIVE.
WELL DONE!

We have flexible menu options to meet your needs, with orders individually packed for each class.

New Lunch Provider – Tuckshop

Some exciting news for our families! Next term we will trial a new outsourced lunch provider, **Tuckshop**, every Thursdays. This service will offer fresh, healthy, and tasty options for our students.

Parents will need to download the App and ensure all orders are submitted by 8am on the day of service...this is **THURSDAYS** for our school. I will be sending some compass communication to all families with the menu as well as instructions of how to order.

We are looking forward to seeing how our community enjoys this new initiative, and we welcome feedback as we trial it together in term 4.

Fundraising and Community Spirit

One of the great strengths of Lalor North Primary School is the way our community comes together to support our students. This term, we have seen families give so generously, not only through financial contributions but also through their time, energy, and support at fundraising events.

These efforts make a real difference, helping us provide additional resources and opportunities that enrich learning for every child. More importantly, they showcase the power of community working together, building connections and creating shared pride in our school.

We sincerely thank all of our families for their generosity and commitment. Your ongoing support ensures that Lalor North continues to be a place where students thrive and where community spirit shines. *A huge special thank you to our parents who supported the Bunnings Sausage Sizzle. You were rockstars! Amazing team work.*

R U OK? Day

Our school community came together for **R U OK? Day**, as a reminder of the importance of kindness and connection. Students took part in activities that encouraged them to look out for each other and to understand the power of asking a simple question, "Are you OK?". It was uplifting to see how caring and supportive our students are of one another.

three little words that
can make a difference
to someone's life...

Are you ok?

Parent Teacher Conferences

A big thank you to all the families who attended the Parent-Teacher-Student Conferences last Wednesday. These sessions provided a valuable opportunity to celebrate student achievements, reflect on progress made throughout the term, and discuss areas for continued growth.

Our teachers appreciated the chance to connect with parents and carers to share insights into each child's learning journey. These rich, meaningful conversations supported by evidence such as teacher observations, student work samples, pre and post assessments, and participation in explicit teaching sessions helped to build a clear and comprehensive picture of student progress.

The conferences are just one of the many ways we report on student learning and set future goals, with valuable input from students, families, and teachers.

Outside School Hours Care – 2026

Looking ahead, we are pleased to share that Lalor North Primary School will have a new Outside School Hours Care provider from 2026. The successful provider will be beginning in January 2026.

This decision follows a very thorough and carefully considered process, which has taken place over an extended period of time. Our School Council, along with two parents who currently use the program, played an important role in this process. Their input and perspectives ensured that the needs of families were front and centre when selecting the provider.

The new service will not only offer high quality care for our students in before and after school, but there will also be opportunities for families to access a holiday program and student free days. These options will give families more flexibility and peace of mind, while ensuring students are cared for in a safe, engaging, and nurturing environment.

Prep 2026 Orientation Dates

To support our newest students, we offer a comprehensive *Kinder to Prep Orientation Program*, designed to help children feel confident and excited about starting school. This program includes a series of four orientation sessions held during Term 4, across November and December.

Parents and carers will also have the opportunity to learn more about our school, the Prep program, and how to best support their child as they begin their school journey. At LNPS, we believe that a smooth and enjoyable start to school sets the tone for future success and we're here to support every step of the journey.

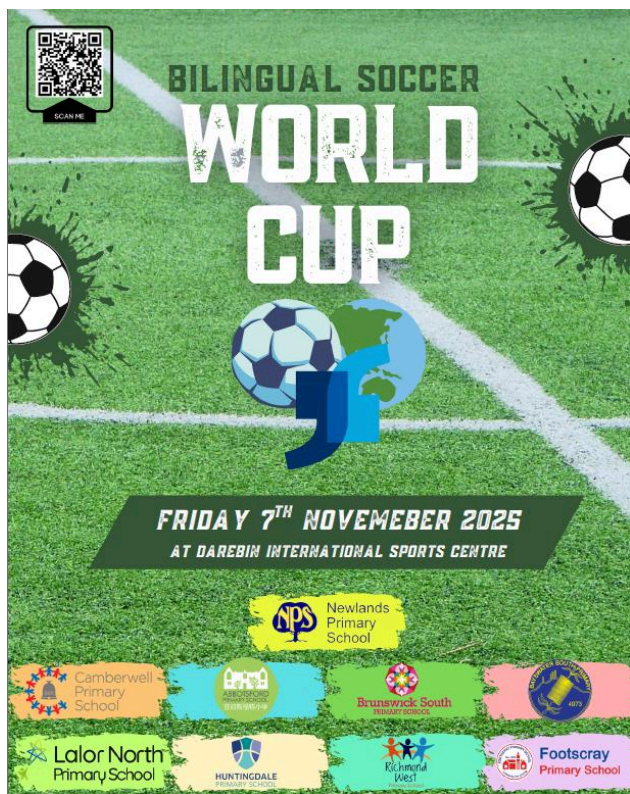

Our orientation sessions occur on...

Session 1: Wednesday 12th November

Session 2: Wednesday 19th November

Session 3: Wednesday 26th November

Session 4: Wednesday 3rd December

Prep 2026 Orientation Dates

We are super excited about competing in the first ever Bilingual World Soccer Cup next term. We will be competing against the following Bilingual Schools across the state:

Brunswick South PS – Italian Bilingual
Footscray PS – Italian Bilingual
Camberwell PS – French Bilingual
Huntingdale PS – Japanese Bilingual
Bayswater PS – German Bilingual
Abbotsford PS – Chinese Bilingual
Richmond West PS – Chinese Bilingual
Newslands PS – Spanish Bilingual

The competition is on!
We are pumped and ready to GO!

School Holidays

With the **school holidays** about to commence, I want to thank each and every student, parent, staff member, and families for contributing to such a successful term. We have achieved so much together, from concerts and fundraising successes to learning milestones and lots of special events for our students. I hope the upcoming break provides time for rest, fun, and family.

Thank you for being part of our wonderful school community. Your support and positivity make Lalor North Primary School such a special place for our children to learn and grow.

Elizabeth Bryan, Amanda Lee and Kim Rotondi

Our New Balance

Coming Up.....

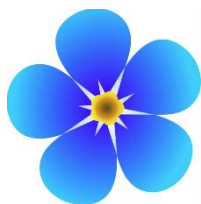

We are looking forward to creating an outdoor classroom that our students can use near our Derna Street for our Sustainability Garden. We will be using this area next term as part of our outdoor teaching and learning space as well.

Our Bike parking space will also be getting a boost with a barrier and parking slots ready to use near monash street.

There are also several other ideas that are being discussed by the SRC and School Leaders

From the Office

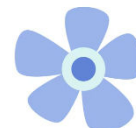

MoPA Excursion

Students from Banksia 2, Banksia 3 & Wattle 2 have received notices regarding the upcoming Museum of Play and Art Excursion on Wednesday 29th October. Consent forms and payment for this event must be returned to the office by **Friday 24th October**.

Camp Consent

This year, LNPS will have 2 camps in Term 4, our **Grade 3&4 camp** will be at Mt Evelyn Discovery camp on the 2nd & 3rd December. Students in **Grade 5&6** will have their camp at Campaspe Downs from 26th to 28th November. **Consent forms and deposit must be returned to the office by Friday 10th October** to secure your child's attendance at camp. Full payment must be made by Friday 7th November. Please contact the office if you have any queries.

Life Education Van

The Life Education program will be taking place during the week starting 10th November. Information will be coming home with students early in term 4.

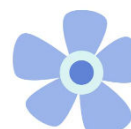

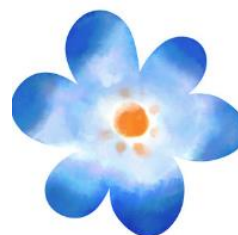

Macedonian Storytime

Our Macedonian Storytime will continue on Tuesdays in Term 4, the time for these sessions have changed slightly, beginning at 10am until 11am. All preschool children aged 1-5 years old are welcome to attend.

Wishing Families a happy end of term break

We are hoping for some nice weather for the start of Spring for us all to enjoy over the term 3 holidays! Wishing all families a relaxing term break and we look forward to seeing all students return on Monday 6 October!

Macedonian Bilingual Program Concert

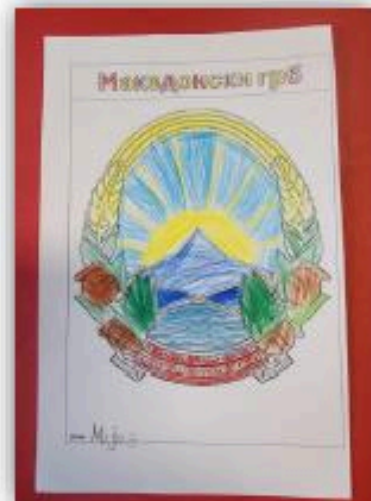

Our students have been learning about the significance of **Macedonian Independence Day** by taking part in a variety of activities. To celebrate this special national day, they also put on a concert, showcasing their talents. It was a spectacular performance that was thoroughly enjoyed by the audience and the performers themselves.

NUMERACY IN WATTLE 3

This term the students in Wattle 3 have been learning about multiplication and division. This week they have been learning about the volume of shapes. They have been calculating volume by using the length, width and height and also by counting centicubes. In one session, students made shapes for their table partner and had to calculate the volume of an irregular shape.

Being a Greek News Reporter: Weather Forecast Video in Greek

A couple weeks ago Banksia 6 learned how to be a Greek news reporter. First, we watched videos to see how to be a Greek news reporter and we learned new vocabulary in Greek. Then, we researched the weather in three places in Greece. We took notes and then rewrote it as a script. We went into a room and got a map and a pointer. We were now ready to record in Greek. Some students helped others record and rewrite their scripts on the whiteboard, so that they could read the script while they were recording. After we finished recording, the class gathered around the T.V. to watch our videos. Everybody loved each other's videos. Now the students in Banksia 6 know how to be a Greek news reporter. This was such a fun learning experience. This definitely helped us improve our Greek fluency and vocabulary.

Chrysoula & Leon

This semester has been full of creativity and learning for the students of our Greek Bilingual Program! Younger students enriched their vocabulary, practiced reading and writing, and explored basic text types through activities based on the Victorian Curriculum.

Older students studied the history and culture of the Greeks of Asia Minor, the Water Cycle, extreme weather events and tectonic plates and the consequences of their movement (volcanoes, tsunamis).

Using modern teaching approaches, they created informational texts, historical narratives, poems, and videos.

Numeracy is taught in both languages, which helps students understand mathematical concepts in deeper and more meaningful ways.

Our students worked with enthusiasm and now truly deserve a happy and relaxing holiday!

Γινόμαστε Έλληνες Δημοσιογράφοι Τηλεοπτικό Δελτίο Καιρού στα Ελληνικά

Πριν από μερικές εβδομάδες στην τάξη μας, Banksia 6, μάθαμε πώς να γίνουμε Έλληνες μετεωρολόγοι. Πρώτα, είδαμε για το πώς να γίνουμε Έλληνες δημοσιογράφοι και μάθαμε καινούριο λεξιλόγιο στα Ελληνικά. Μετά, ερευνήσαμε τον καιρό σε τρεις διαφορετικές πόλεις στην Ελλάδα. Κρατήσαμε σημειώσεις και στη συνέχεια διαμορφώσαμε το σενάριο. Πήγαμε σε μία αίθουσα και πήραμε τον χάρτη της Ελλάδας. Τώρα ήμασταν έτοιμοι να βιντεοσκοπήσουμε στα Ελληνικά. Κάποιοι μαθητές βοήθησαν στη βιντεοσκόπηση και στη διαμόρφωση του βίντεο. Όταν τελειώσαμε, οι μαθητές συγκεντρωθήκαμε γύρω από την τηλεόραση για να δούμε τα βίντεό μας. Τώρα οι μαθητές στην Banksia 6 ξέρουμε πώς να είμαστε Έλληνες δημοσιογράφοι και μετεωρολόγοι.

Water Cycle explanation Text

This term, Banksia 6 wrote an explanation text about the water cycle in Greek. We wrote different paragraphs about the different stages of the water cycle and used a video and a text to get the information about the water cycle. We learned how the water cycle works and learned a lot of new vocabulary related to it. We also drew the stages of the water cycle. We learned the names of the stages of the water cycle and how the water goes from water, to a gas, to a cloud and back to water again.

Ο Κύκλος του Νερού Επεξηγηματικό κείμενο

Αυτό το τρίμηνο, η Β6 έγραψε ένα επεξηγηματικό κείμενο για τον κύκλο του νερού στα Ελληνικά. Γράψαμε διαφορετικές παραγράφους και ζωγραφίσαμε για τα διαφορετικά στάδια του κύκλου του νερού και χρησιμοποιήσαμε ως πηγές ένα βίντεο και ένα κείμενο για να πάρουμε πληροφορίες σχετικά με τον κύκλο του νερού. Μάθαμε πώς λειτουργεί ο κύκλος του νερού και μάθαμε νέο λεξιλόγιο που σχετίζεται με το θέμα. Είχαμε κάνει μία ζωγραφιά. Μάθαμε τα χαρακτηριστικά και τα ονόματα των σταδίων του κύκλου του νερού και πώς το νερό μετατρέπεται από υγρό σε αέριο, σε ατμό, σε βροχή ή πάγο και ξανά πίσω σε νερό.

Becoming Poets : Writing Haiku

In term 3 our class wrote special haikus in Greek and English. The poems were very interesting and fun to write. For example, I wrote a haiku about the Virgin Mary. These are some of our friends' poems:

Grateful for music
can improve every feeling
I love you music.
Tiahna . W

Red pomegranates
Juicy little summer
mouth watering.
Emilia . M

I love them a lot.
They give me a lot of kisses
and a caring family.
Chrysoula . P

Supportive family
cooking with mum
playing with siblings.
Leon . R

We worked really hard in this subject. It was hard to write poems in Greek but with our teacher, Ms Yiota's guidance we finished in no time. She was very proud just like we were.

Γινόμαστε Ποιητές Γράφουμε Ποιήματα Χαϊκού Στο 3ο τρίμηνο, στην τάξη μας γράψαμε τα δικά μας χαϊκού στα ελληνικά και τα αγγλικά με θέμα «Πράγματα για τα οποία δεν λυπόμαστε». Τα χαϊκού ήταν πολύ ενδιαφέροντα και διασκεδαστικά για μάς. Για παράδειγμα, έγραψα ένα χαϊκού για την Παναγία. Αυτά είναι μερικά από τα ποιήματα φίλων μας.

Ευγνώμων για τη μουσική

Σ' αγαπώ μουσική.

Χρυσούλα

Λεωνίδας

Δουλέψαμε πολύ σκληρά πάνω σε αυτό το θέμα. Ήταν δύσκολο να γράψουμε ποιήματα στα ελληνικά, αλλά με την καθοδήγηση της δασκάλας μας, κας Γιώτας, τα τελειώσαμε σε χρόνο μηδέν. Ήταν πολύ περήφανη όπως κι εμείς.

Tectonic Plates Informative Text

My class and I learned about tectonic plates. We watched videos about them, wrote texts about them, read articles about them and learned about their movements because they can cause volcanic eruptions and volcanoes. Tectonic plates are huge irregular shaped slabs of the earth's lithosphere that are constantly moving. Tectonic plates are the reasons for natural disasters such as earthquakes, tsunamis and at times form mountains. This all happens due to the movement of the tectonic plates. The Santorini volcano erupted over 1000 years ago and formed the islands of the Aegean Sea. The volcano eruption was caused by the tectonic plates. With our classmates, we drew and made 3D diagrams about tectonic plates, tsunamis and volcanoes.

Οι Τεκτονικές Πλάκες της Γης Πληροφοριακό Κείμενο

Η τάξη μου κι εμείς μάθαμε για τις τεκτονικές πλάκες, παρακολουθήσαμε βίντεο γι' αυτές, γράψαμε κείμενα γι' αυτές, διαβάσαμε άρθρα για τις τεκτονικές πλάκες και μάθαμε για τις κινήσεις τους, επειδή μπορούν να προκαλέσουν ηφαιστειακές εκρήξεις και ηφαίστεια. Οι τεκτονικές πλάκες είναι τεράστιες, ακανόνιστου σχήματος πλάκες της λιθόσφαιρας της Γης που κινούνται συνεχώς. Οι τεκτονικές πλάκες είναι οι αιτίες για φυσικές καταστροφές όπως σεισμούς, τσουνάμι και κατά καιρούς σχηματίζουν νησιά ή βουνά και όλα αυτά συμβαίνουν λόγω της κίνησης των τεκτονικών πλακών. Το ηφαίστειο της Σαντορίνης εξερράγη πριν από 1000 και πλέον χρόνια και διαμόρφωσε τα νησιά του Αιγαίου Πελάγους. Η έκρηξη του ηφαιστείου προκλήθηκε από την κίνηση των τεκτονικών πλακών. Με τους συμμαθητές μας ζωγραφίσαμε και φτιάξαμε 3D διαγράμματα για τις τεκτονικές πλάκες, το τσουνάμι, το ηφαίστειο κ.ά.

ANNABELLE: I LOVED THE LIMBO. I REALLY ENJOYED IT.

I ALSO LOVED THE MUSIC AND BALLOON ANIMALS.

THE LIMBO CHALLENGED ME HOW FAR DOWN I COULD GO.

MATILJA: I THOUGHT IT WAS VERY FUN

AND I LIKED EVERYTHING ABOUT IT.

NERINA: I'VE ALWAYS LOVED BALLOON ANIMALS AND SEEING THE

WHOLE SCHOOL WITH BALLOON DOGS WAS VERY FUNNY.

I THOUGHT WE WERE ONLY HAVING BALLOONS AND MUSIC

BUT THEN CAME LIMBO WHICH MADE EVERYTHING BETTER

JAYDEN: I LOVED THAT WE PLAYED LIMBO

AND HOW IT GOT HARDER EACH TIME,

AND ALL THE COOL DANCES. I GOT A PRIZE!

LILLIAN: I HAD A LOT OF FUN PLAYING,

DANCING AND MAKING BALLOON ANIMALS

I ALSO LIKED THE LIMBO BECAUSE IT WAS

CHALLENGING AND VERY LOUD!

INFORMATION REPORTS

LITERACY

This term, our class has been discovering the amazing world of Australian animals through non-fiction books with a special focus on **kangaroos**! We learned fascinating facts about how kangaroos look, what they eat, where they live, and how they behave—in both English and Greek.

WRITING

Using what they learned, the children created their own information reports, writing complete sentences and sharing all the interesting facts they could recall. They also had the exciting opportunity to present their reports to the class, proudly showcasing their knowledge and bilingual skills.

ΤΑ ΠΑΙΔΙΑ ΕΪΠΑΝ:

Νικολέτα: Μου αρεσαν τα καγκουρο που πηδάνε ψηλά.

Φίλιππος: Μου άρεσε που ισορροπούν στην ουρά τους.

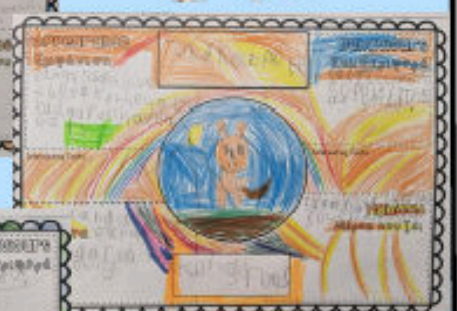

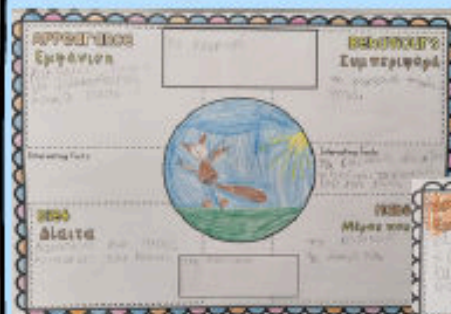

Αιμιλία: Τα καγκουρό έχουν μεγάλα αφτιά και ακούνε καλά.

Θανάσης: Τα καγκουρό τρώνε φυτά και γρασίδι.

Σάββας: Τα καγκουρό ζουν στην Αυστραλία.

Πετρίνα: Τα καγκουρό έχουν μεγάλα πόδια.

Τζιοβάνης: Το καγκουρό έχουν μικρά πόδια μπροστά.

Ήταν υπέροχο να βλέπουμε τα παιδιά να συμμετέχουν με ενδιαφέρον, να δείχνουν περιέργεια και να έχουν αυτοπεποίθηση στη μάθησή τους. Ο ενθουσιασμός και η προσπάθειά τους φαίνονται καθαρά στις παρουσιάσεις τους!

SUSTAINABILITY AT LNPS

Our Kitchen Garden

During Term 3 our Grade 3&4 students have been learning about what plants need to survive.

We learned that plants need, water, sunlight, air, soil nutrients and the right climate to survive and thrive.

We mixed some organic matter into our gardens to prepare for planting

Bunnings Visit

On Friday 12th September, we were very lucky to have Ebony and Tom from Bunnings Warehouse in Epping visit our school.

They kindly donated a wonderful selection of seeds, seedlings, and fertiliser for our students to plant in our school garden. Everyone had lots of fun getting their hands dirty and getting ready for a colourful spring!

A big thank you to Bunnings for their generosity and support!

Responsible Pet Ownership visit

This week, students from W2, B2, and B3 had a chance to learn about safety around dogs. This is what they said about the visit:

B3

Кога кучето е налутено треба да застаниш мирен. (Ники Т)

Не треба да го гледаш кучето во очи. (Наталиа)

Јас застанав и прашав дали да го погалам кучето. (Кеилеб)

Јас ја подадов раката на кучето за да ја мирисне. (Габриела)

B2

Φωτεινή: I got to pat the dog.

Τζιοβάνης: Το αγαπημένο μου ήταν που μύρισε το χέρι μου.

Katherine: I liked when they were teaching us about dogs.

Zoe: I liked that I saw the dogs.

Aimilia: One of the dogs was Oreo because of his colours.

Νικολέτα: Μου άρεσε το σκυλάκι που είχε μύτη και αφτιά.

Νοελ: Μου άρεσε που το ήταν μαλακό.

RESPONSIBLE PET OWNERSHIP PROGRAM

PREP - WATTLE 2

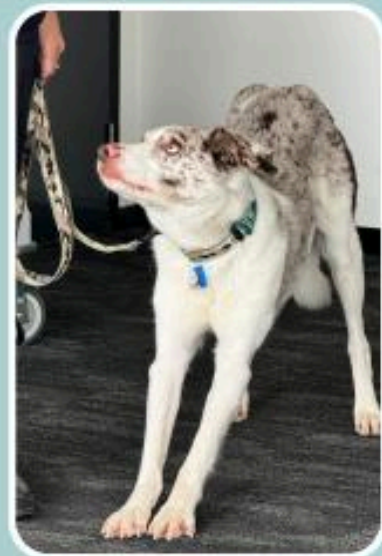

This morning we went to see the dog. The dog's name is Oreo. We learned to not touch a dog that is eating. (Linh)

I learned that dogs have a red and yellow collar because they are dangerous. (Harry)

Some of us got to pat Oreo the dog. (Mohammad)

Today Oreo the dog and Maria visited our school and we learned about how to stay safe with dogs. (Gurfateh)

BREAKING NEWS

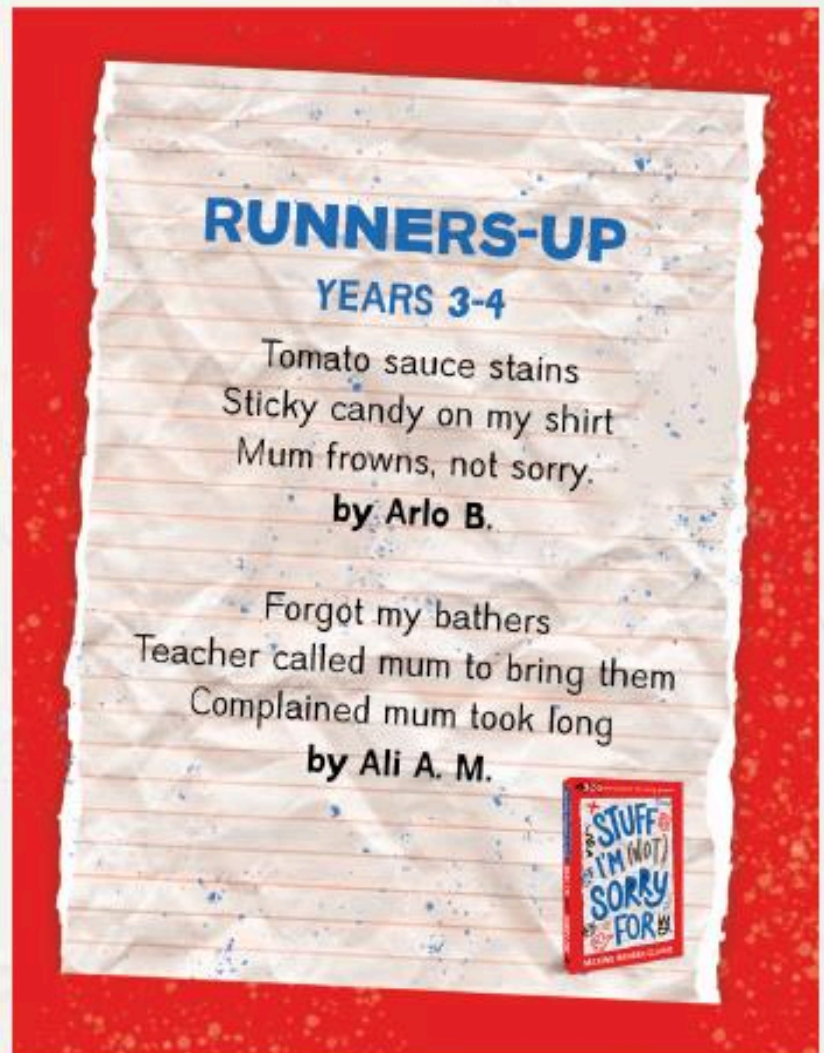

Our very own Ali A M in W5 has been selected as runners-up in the Haiku competition.

Last term, to celebrate the release of "Stuff I'm (Not) Sorry For," by Maxine Beneba Clarke, @hardiegrantkids ran a Haiku competition for students in years 3-6, across Australia.

Lalor North PS is very excited to let you know that Ali from W5's entry in the 'Write a Haiku and Win' competition was selected as a runner-up for the year 3-4 category.

Maxine Beneba Clarke, Hardie Grant Children's Publishing and ALIA, have passed on a big congratulations to Ali! They will also be sending a small prize and a letter from Maxine to Ali at school.

Winners and runners-up will be announced on Monday 15 September on [Instagram](#): @hardiegrantkids.

Lalor Districts AFL Gala Day

On Thursday the 11th of September, Lalor North Grade 5/6 students participated in the Lalor Districts AFL 9s Gala Day at Main Street Oval in Thomastown.

LNPS entered both a boys team and girls team into the AFL 9s competitions against the other 12 schools in our Lalor District.

It was a fantastic day with many of our students playing competitive footy against other teams for the first time. Our young footy players represented our school well and exhibited sportsmanship and all the values that we pride ourselves in here at Lalor North Primary School.

Well done to our young footy players on a great performance both on & off the field at our Lalor Districts AFL Gala Day!

Divisional Athletics 2025

On Tuesday the 16th of September, six of our LNPS students qualified for the Whittlesea Divisional Athletics Championships at Meadowglen Stadium and represented our Lalor District of schools. To qualify for this, these students won their athletics events at the Lalor Districts Athletics carnival back in Term 1.

Qualifying for this event is a fantastic achievement and our entire school community is very proud of their achievements!

Here are our 6 young athletes and the events they competed in at the Divisional Athletics Championships:

Charlotte Milovale - 12-year-old girls 200m race & 12-year-old girls Long Jump.

Kasiyana Perovska - 10-year-old girls Shot Put

Aleksia Radevska - 10-year-old girls Long Jump

Mason Belokozovski - 12-year-old boys Triple Jump, & 12-year-old boys 200m race

Hristiyan Damjanovski - 10-year-old boys Triple Jump, & 10-year-old boys Long Jump

Luka Zdravkovski - 11-year-old boys Shot Put

A special congratulations to Luka Zdravkovski, for winning his Shot Put event on the day with a spectacular throw of over 11 metres! Luka has now qualified for the Northern Metropolitan Athletics Championships on October 15.

This is a fantastic result & our whole school is proud of Luka and his achievements. We all wish our young Shot-Putting star good luck at the Regional Finals!

Confident Girls Netball Program

Netball Victoria is excited to offer Lalor North Primary School an exclusive opportunity to participate in the **Confident Girls Netball Program**. A **fully funded** and engaging initiative supported by the Confident Girls Foundation, this program is Free of Charge.

Netball Victoria is offering a **free 5-week netball program** for **female students in grades 5 and 6**, delivered by our accredited Netball Victoria Community. The first 4 weeks of the program will be conducted at school. The final week of the program includes an excursion to Mill Park Basketball Stadium, where students will participate in friendly match play.

The aim of this program is to engage students in netball through fun, skill-based activities, and connect them with their local netball association.

Current Prep Families: Prep bags 2025 survey

Each year, the Department of Education gives every Prep student attending a Victorian government school a bag full of goodies to celebrate this milestone in their education journey. The educational resources and information in the bags are aimed at helping Prep students and their families have a great start to the year.

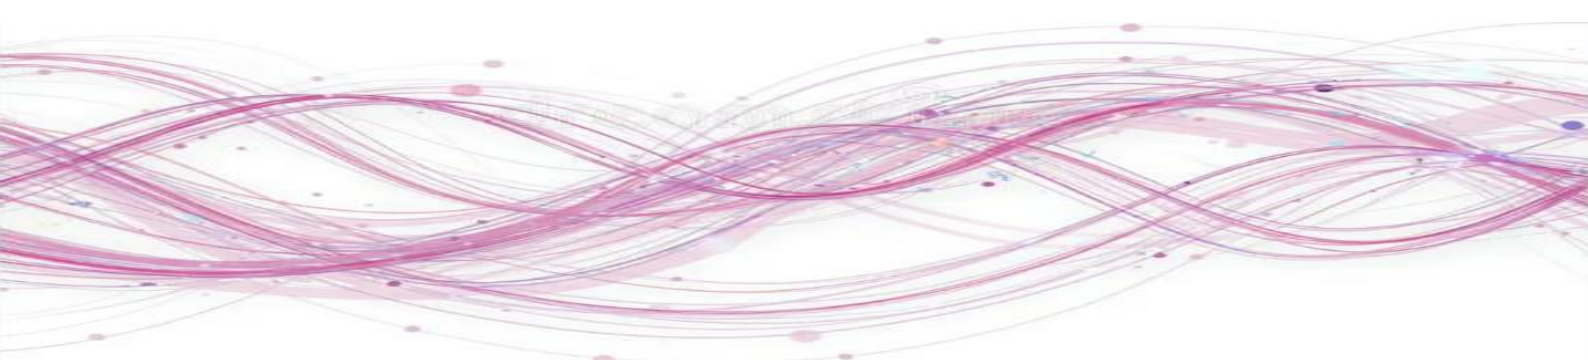

The department is inviting parents and carers of current Prep students to complete a short survey about the 2025 Prep bags, by 11:59 pm on Sunday 26 October 2025.

Your feedback will help the department learn what families liked and what can be improved in 2026.

You can have your say at [Prep bags 2025 evaluation survey](#).

The survey takes 5 to 10 minutes. It is voluntary. Responses are anonymous and will not be shared with third parties outside the department.

For more information about this year's Prep bags, refer to [Prep bags](#).
