LALOR NORTH PRIMARY SCHOOL

Spotlight on Lalor North Primary School

On Thursday, Lalor North Primary School was in the spotlight as we showcased the vibrant, welcoming, and dynamic learning environment that makes our school so special. The filming will capture our students' enthusiasm, our engaging classrooms, and the strong sense of community that shines through in everything we do. We're excited to share the wonderful spirit of Lalor North with a wider audience.

Acknowledgement to Country

We are learning on Wurundjeri Country and in the spirit of reconciliation, Lalor North Primary School acknowledges the Traditional Custodians of the land on which we are learning. We pay our respects to their Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Our School Values

Honesty

We communicate openly and work together to solve problems. By demonstrating honesty and acting with integrity we build trust, which enables us to collaborate, to take greater risks with our learning and to be more resilient when things go wrong.

Respect

We respect ourselves, our school and each other, and understand that our attitudes and behaviour have an impact on the people around us.

Unity

We have many languages, come from many backgrounds and are a school of many differences, but we speak with one voice, as one school. We develop a sense of connection and belonging within each part of our school, and across the whole school.

Success

We help each other learn so that everyone experiences success every day. Success means doing new things, learning new skills, finding new ways of thinking and solving interesting, complex and challenging problems.

Resilience

We know trying new things, experiencing challenges and bouncing back from adversity are central to life and to learning. Only by building our resilience can we experience strong levels of growth.

Principal's Message

Hello everyone!

Can you believe it.....we are already at the end of the third week of term 4... and it's all systems go when it comes to planning for the new school year. This term we are preparing for our students and the 2026 school year.

Filming at Our School

You may have noticed some exciting activity around the school grounds on Thursday when Shon Productions came to our school. We were thrilled to host the professional company as part of a promotional project showcasing the fantastic teaching and learning happening at Lalor North PS. The project will capture our classroom activities and our vibrant school environment on camera. A huge thank you to the Department of Education for funding this project and to everyone for their cooperation and enthusiasm. We look forward to sharing the final product with you soon.

Parent Payments

This week we released the parent payments for 2026 in our Greek and Macedonian languages to our families in our bilingual programs. This was a first for our school and an initiative of the school council. These payments support essential curriculum resources and programs that enrich our students' learning experiences. We are certainly proud of the school and want to see all possible educational opportunities enriching our programs.....

Children's Week Celebrations

This week, we're celebrating Children's Week, recognising the rights, talents, and contributions of all children in our school. Students will participate in a variety of fun and inclusive activities throughout the week, celebrating creativity, wellbeing, and the joy of being a child.

Grade 6 Graduation – Coming Soon!

It's nearly time to farewell our incredible Grade 6 students, and preparations are in full swing for this year's Graduation Ceremony. This milestone event will be held on Wednesday 10th December. Families will receive invitations soon. We can't wait to celebrate the achievements and journey of our graduating class!

Prep 2026 Orientation Dates

To support our newest students, we offer a comprehensive *Kinder to Prep Orientation Program*, designed to help children feel confident and excited about starting school. This program includes a series of four orientation sessions held during Term 4, across November and December.

Parents and carers will also have the opportunity to learn more about our school, the Prep program, and how to best support their child as they begin their school journey. At LNPS, we believe that a smooth and enjoyable start to school sets the tone for future success and we're here to support every step of the journey.

Our orientation sessions occur on...

Session 1: Wednesday 12th November

Session 2: Wednesday 19th November

Session 3: Wednesday 26th November

Session 4: Wednesday 3rd December

Young ICT Explorers Showcase

A big congratulations to our tech-savvy students who took part in the **Young ICT Explorers Showcase!** Their innovative projects, ranging from coding apps to creative problem-solving using technology, impressed judges and highlighted the amazing digital learning happening at our school. Well done to all participants for your hard work and creativity!

New Lunch Provider – Tuckshop

This term we began using our new outsourced lunch provider, **Tuckshop**, which will be available every Thursdays. This service will offer fresh, healthy, and tasty options for our students. A reminder to parents to check the date they are placing orders delivery to ensure no disappointments.

Many parents have downloaded the App now and are good at submitting by 8am on the day of service...this is **THURSDAYS** for our school. It is easy to use, and the food is fresh and enjoyable.

We are looking forward to seeing how our community continues with this new initiative, and we welcome feedback as we trial it together in term 4.

Yard Duty Policy - Update

Our updated Yard Duty & Supervision Policy has now been reviewed and consulted with our School Council. The revised policy now includes an additional staff member on duty which further strengthens our commitment to student safety during break times. Our policy includes clearer roles, procedures, and supervision of an additional zone for staff. You can view the policy on our school website or request a printed copy from the front office.

Our NEW 2026 Outside School Hours Care

Looking ahead, we are pleased to share that Lalor North Primary School will have a new Outside School Hours Care provider from 2026. TheirCare has extended an invitation to all families to meet online for a parent information session on Tuesday 18th November at 7pm. See the invite below.

Before School Care After School Care Student Free Day Care

Our School Council, along with two parents who currently use the program, played an important role in the selection process. Their input and perspectives ensured that the needs of families were front and centre when selecting the provider.

Lost Property Pile-Up!

Our **lost property area** is once again overflowing with jumpers, lunchboxes, hats and drink bottles! If your child is missing an item, please visit the lost property area inside the foyer before the end of the term. Labelling all belongings helps us return items quickly.

Our next **Prep Parents Coffee and Chat** is coming up soon. Parents of Preps are encouraged to come along and enjoy time together. Its an opportunity to ask questions and gain clarity on how children learn and engage in the school environment. Kim and I will be in attendance and discuss end of year planning for grade one as well as other things related to the prep year.

Friday 14th November 9am to 10am...See you there!

Teaching Respectful Relationships at LNPS

At Lalor North Primary School, the wellbeing of our students is at the heart of everything we do. As part of our Respectful Relationships curriculum, we are proud to teach age-appropriate lessons that help students understand:

- The importance of respecting themselves and others
- How to build positive friendships and healthy peer relationships
- How to express emotions in safe, respectful ways
- Understanding of fairness, inclusion, and empathy
- Gender norms and stereotypes – helping students identify and challenge unfair or limiting ideas (e.g., “only boys can play sport” or “girls aren’t good at maths”)
- Respectful relationships between boys and girls in their classroom – promoting equality, consent, and kindness in friendships
- Personal identity and acceptance and supporting students to feel safe to be themselves.

These topics are aligned with the **Victorian Curriculum** and are taught with care, cultural sensitivity, and always in partnership with our community values.

If you have questions about what is taught or would like to view the curriculum, please don’t hesitate to contact your child’s teacher or speak with our Wellbeing Team. We welcome open conversations and aim to keep families informed every step of the way.

Together, we are continuing to build a safe, respectful, and inclusive school for every student.

Mobile Phones in Schools

This is a friendly reminder that all students bringing a mobile phone or smart watch to school must sign this in at the school office each day. This is in line with mobile phone policy and guidance introduced by the Victorian Government in 2020. Students are not to store mobile phones or other devices in their bags and are not to use these devices across the day. Any contact you need to make with your child across the school day can be directed through our friendly administration team by calling 9465 4922. Once mobile phones are presented at the office, these are stored securely.

CHANGES TO DIGITAL DEVICE USE

From 2027, the Victorian Government is introducing changes to the use of digital devices for students from Prep to Grade 6.

Under the new guidelines, schools will no longer invite families to purchase or bring their own digital devices to use at school for Prep to Grade 6 will follow new recommended digital device times, including minimal device time for Prep to Grade 2; and a maximum of 90 minutes per day for grades 3 to 6.

These changes are intended to support families by reducing cost-of-living pressures. They will also support students by reducing screen-time which can reduce the risk of eye strain, sedentary behaviour, and reduced peer interaction. These reforms complement Victoria's nation-leading mobile phone restrictions, ensuring an integrated approach to addressing digital distraction and the inappropriate use of technology.

As you know, we already provide school-owned digital devices for student learning, so there is no impact on our school's programs. Students with disability who use a digital device as a reasonable adjustment are exempt from these changes.

I am please to confirm we already meet the new guidelines as a school and there will be no changes to what we are currently doing at Lalor North Primary School.

You can read more about the changes on the department's website: [Digital Learning: Policy](#).

A New Process for

Raising a Concern - Follow the Steps !

At Lalor North Primary School, we value open communication and strong partnerships with our families. To make it easier for parents and carers to raise any concerns, we've introduced a **new simplified process** that clearly outlines each step to follow.

This process is designed to ensure that all concerns are handled **promptly, respectfully, and with transparency**, so families know exactly who to contact and what to expect at each stage.

We will be using this process immediately and supporting our families to following our new consistent streamlined process.

FUNDRAISING

We'd like to extend a huge thank you to our wonderful parents, students, and staff for your incredible support of our fundraising efforts this year. Your generosity, enthusiasm, and community spirit have truly made a difference!

A special thank you goes to our dedicated Fundraising Committee, whose motivated efforts, creativity, and countless volunteer hours have helped bring our school community together while raising valuable funds. From organising events to rallying support behind the scenes, their hard work ensures our students continue to benefit from new learning resources, exciting experiences, and improvements across our school.

**Let's make
change
that lasts**

Safe parking around schools starts with you

School zones are for safety, not shortcuts.
Every parked car, every driving decision,
every moment of attention counts.

Let's keep our kids safe.

Park further away on nearby streets and walk the rest: avoid crowding the school gate.

Keep the front of the school clear: for emergency vehicles, buses, and safe crossings.

Never stop in no-stopping or bus zones: even *"just for a minute."*

Avoid double parking: it blocks visibility and endangers kids.

Plan ahead for drop-offs and pick-ups: arrive a few minutes early or later to avoid the rush.

Use designated drop-off zones properly: quick goodbyes, then move on to keep traffic flowing.

Be alert and patient: children can be unpredictable around traffic.

It's about our children's safety and our community's values.

Scan the QR code for more info
or to report unsafe parking.
