

## Book Week @ Lalor North

*We celebrated our annual book week character dress up day. Everyone looked amazing and we had such a wonderful day celebrating the magic of books. Our staff really enjoyed dressing up. We have a special double page of photos of our students and their costumes. . . . . thank you to all the families for supporting our book character dress up day. You made the day so special for all of our students!*

**Acknowledgement to Country**

We are learning on Wurundjeri Country and in the spirit of reconciliation, Lalor North Primary School acknowledges the Traditional Custodians of the land on which we are learning. We pay our respects to their Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples.

# Our School Values

## Honesty

*We communicate openly and work together to solve problems. By demonstrating honesty and acting with integrity we build trust, which enables us to collaborate, to take greater risks with our learning and to be more resilient when things go wrong.*

## Respect

*We respect ourselves, our school and each other, and understand that our attitudes and behaviour have an impact on the people around us.*

## Unity

*We have many languages, come from many backgrounds and are a school of many differences, but we speak with one voice, as one school.*

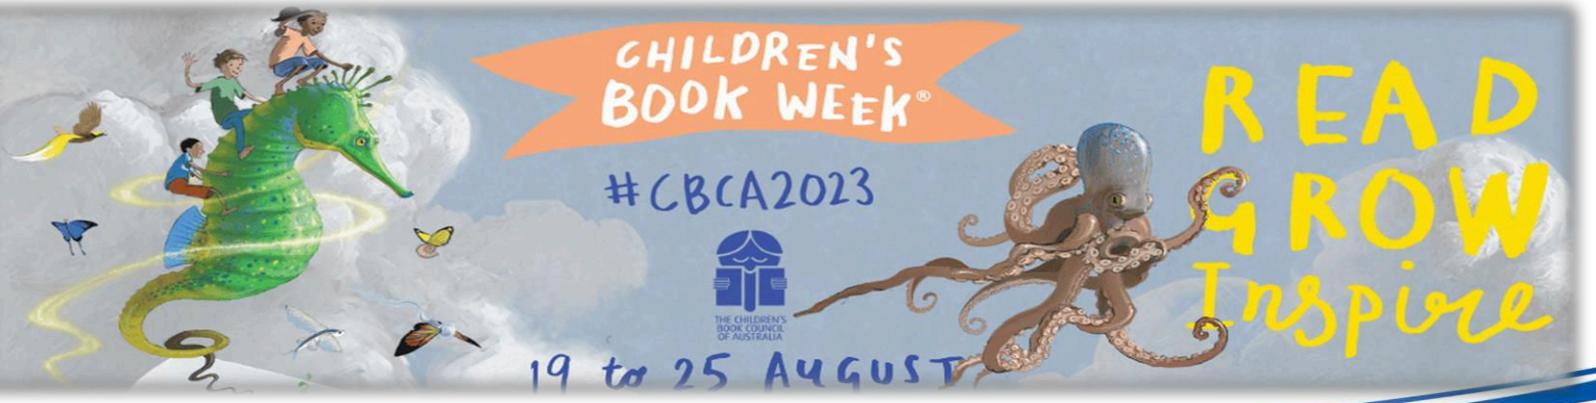

*We develop a sense of connection and belonging within each part of our school, and across the whole school.*

## Success

*We help each other learn so that everyone experiences success every day. Success means doing new things, learning new skills, finding new ways of thinking and solving interesting, complex and challenging problems.*

## Resilience

*We know trying new things, experiencing challenges and bouncing back from adversity are central to life and to learning. Only by building our resilience can we experience strong levels of growth.*

## Principal's Message

What a fortnight ! So many exciting special activities across the school for our students to be inspired in their learning and experience so much success. We had Science Week.....followed by Book Week..... and this week we are Fathers & Special Person Stall whereby we celebrate fathers and father figures by making cards and purchasing small gifts. We had a great selection on offer for our students. Thank you Liz Ketkas for organising the stall. We wish all of our fathers and father figures a very special day this Sunday.

### Our School Gardens

The beatification of our school environment is a continuing project. When our trees were assessed, trees and branches were removed to keep our environment safe. This resulted in a quantity of mulch that is being added to our garden beds. Students are learning about the benefits of mulching plants to conserve water usage and improve soil quality.

They are enjoying the hands-on outdoor learning opportunities.

## Parent Teacher Interviews

Parent teacher interviews are a valuable and important part of our assessment and reporting cycle every year. In 2023, our Parent Teacher Interviews are in Term 1 and 3 and written student reports are provided at the end of Term 2 and 4.

**Bookings will soon open** on Compass for Parent Teacher interviews on Thursday the 14<sup>th</sup> of September with fifteen-minute timeslots available between 11.15am and 8pm. **Bookings will close** on Tuesday 12<sup>th</sup> of September at 8.30am. Interpreters can be booked for many different languages, so please indicate if you need an interpreter. If your language is not listed, please contact the office on 9465 4922, so we can attempt to locate an interpreter for you.

**Please note: Thursday the 14th of September is not a regular school day. Students do not attend school but come with their parent/s for their interview only.**

Interviews will be conducted face to face at school in your child's classroom at the allocated time, so please go directly to your child's room. Specialist interviews will be in the main building, so please come to the office for directions.

Grade 1/2N in Room 5 will have their interviews in Term 4 on Thursday the 5th of October. A separate booking sheet will be made available to parents with students in Grade 1/2N. Interviews for Italian and Grade 2KG Music will not be available that day but can be arranged through the office in Term 4, if needed.

Optional Interviews are available with your child's specialist teacher, as you may need to discuss concerns or progress. Because Specialist teachers may teach over 300 students at the school, they will not be available to meet with all parents on this night. Each Specialist will have only 30 interview timeslots available to the first families to make a booking.

The staff of Lalor North Primary School thank you for your support and we look forward to building connections with families at this important opportunity to give feedback on student learning in Term 3.

### No smoking/vaping

Parents, carers, schools, and community all play an important role in protecting children and young people from, and educating them about, the harmful effects smoking and vaping.

Research from the Royal Children's Hospital shows many parents and carers are not aware of the harmful effects or how their views about smoking and vaping can impact the likelihood of a young person taking up smoking or vaping.

The Department of Education and Training has developed resources to help you learn more about the health risks of smoking and vaping, and some suggestions about how to talk to children and young people about vaping, and where to get support. To access the resources, go to:

## Life Education @ Lalor North

Educators from Life Ed Victoria have visited Lalor North Primary School to facilitate our Healthy Harold Sessions which were held on the 25<sup>th</sup> of August and from the 30<sup>th</sup> of August to the 1<sup>st</sup> of September. Teachers worked together to select appropriate topics for their cohorts to participate in, as Life Ed offers a variety of topics that are suitable for different year levels. This ensured topic content was not already covered and the content matched the curriculum requirements for each class.

Harold was a huge hit when he visited our Assembly on Friday the 25<sup>th</sup> August and the valuable learning shared with students will support them as they grow to become young adults.

## Our topics this year are.....

### My Body Matters

Harold and his friends want to look their best for photo day at school, but discover that things don't always go to plan. This module focuses on things students can do to keep themselves healthy including:

- the importance of personal hygiene
- choosing foods for a healthy balanced diet
- benefits of physical activity and sleep

### Ready Steady Go!

Harold and his friends are ready for their big race at the school athletics carnival... or are they? When one member of their relay team doesn't show up, what will they do? This fun, engaging narrative provides students the opportunities to discover:

- benefits of physical activity
- safety strategies in different environments
- how our body reacts in new situations
- what our body needs to be healthy including a nutritious diet, water and sleep

### Be cyberwise

This module focuses on cybersafety, cyber ethics and building positive relationships with friends online and offline. The students explore how technology and the online world can be positive, but also the risks that can be involved. Students will build a range of strategies to stay safe online around:

- responsible and respectful behaviour when using communication technology
- keeping personal information safe online
- safe/unsafe people to engage with online
- ways to manage bullying and cyberbullying
- how to report inappropriate behaviour and how to get support

### Decisions

This module offers a choice of content on legal drugs or legal and illegal drugs and encourages students to make informed and positive decisions for themselves. Students explore the decision-making process and improve decision making skills by looking at choices, consequences, responsibilities, facts, and influences. Students will explore:

- what drugs are and how they are classified
- the effects of drugs on the body
- influences on decision making – family, peers, media, culture, financial, legal
- misinformation surrounding drugs and how accurate information supports decision making
- strategies to manage peer pressure and skills to be safe

## 2023 Camp –PGL Campaspe Downs

This year our Grade 4, 5, 6 school camp will be taking place at Campaspe Downs. The camp is located on the outskirts of the Macedon Ranges an hour outside of Melbourne set amongst 150 acres of natural bushland. It is a 2 night / 3 day camp and will be held from Wednesday 1st to Friday 3rd of November (Term 4 Week 5).

Whilst on camp the children will be involved in a wide range of exciting activities, such as: archery, giant swing, canoeing, flying fox, and many other fun activities run by experienced Campaspe Downs staff members. The Staff attending the camp are well experienced in organizing and conducting camps. The number of staff on camp will be dependent upon the student numbers, with a ratio of one staff member for every ten students, with a mixture of female and male teachers attending.

We strongly urge all Gr 4/5/6 children to be involved in this fantastic activity. Please contact the school if you require any additional information and have a closer look at everything the camp has to offer online at <http://www.pgladventurecamps.com.au/campaspe/>

We can assure you that your child will be well looked after.

## Prep Enrolment for 2024

We have many students already enrolled for prep 2024 as well as many enquiries for enrolment each day at our school.

**Please contact the office on 9465 4922** as soon as possible to confirm your child's enrolment for the 2024 school year. This way you may secure your place.

## Transition Dates for Prep Students Starting School in 2024

Transition session 1 – Wednesday 8th November  
Transition session 2 – Wednesday 15th November  
Transition session 3 – Wednesday 22nd November  
Transition session 4 – Wednesday 29th November

We only have two more weeks of term three remaining! Enjoy the beginning of a new season and hopefully the Spring weather will warm us all up very soon.

# Futsal Tournament

Last Friday on the 25th of August the grade 5 and 6 girls had the Futsal tournament at Futsal oz in Thomastown. There were 16 local schools competing in the competition. We won **4** out of **5** games, unfortunately we were one goal from making it to the finals. We played well and came **2nd** in our category and **3rd** overall. Our Lalor North Primary School team included; **Angelina, Victoria, Alana, Asma, Catherine, Wid, Stella and Alerah**. We would now like to tell you about the participation of each player in the team;

**Angelina** was an amazing striker who scored an incredible 12 goals and passed the ball directly to where she wanted it to go.

**Victoria** was a great mid court defender and she knew how to clear the ball when it was close to the opposition goals.

**Alana** was a fierce defender against the other teams and blocked many goals.

**Asma** was another great striker and defender and scored 2 goals.

**Catherine** was an outstanding goal keeper, and saved heaps of goals from going through the goals.

**Stella** went after the ball at every opportunity, and she made sure the opposing players didn't get passed her to score a goal.

**Alerah** played in defence and in the mid court, she showed her great skills by scoring a goal for her team.

**Wid** was another mid court player and could pass the ball accurately to players in her team.

## The Jungle Book Puppet Show

Tuesday 22nd August, 2023

I liked the story telling and the music in the puppet show. It was so good!  
Angelina, P-2DB

At the puppet show, I liked the characters.  
Elora, Grade P-2DB

I liked it when the tiger roared and when he went away.  
Petar, Grade 2KG

My favourite character was the monkey because he was very funny!  
Kreysha, Grade 1/2V

The puppet show was funny. The boy was scared of the tiger.  
Aleera, Grade Prep LT

At the puppet show, my favourite part was the characters.  
Venia, P-2DB

I really liked the voices.  
Savannah, Grade 1/2V

I liked it when the monkey kissed the lady and when the boy slapped the snake.  
Jaxson, Grade 2KG

The animals kissed in the puppet show. The frog was the king.  
Jayden, Grade Prep LT

My favourite part of the puppet show was when the snake took the boy.  
Lilliana, Grade 1/2V

## Maggie Jankuloska - Author Visit

Thursday 24th August, 2023

I thought that Maggie's journey was inspirational. She was very interactive with us students and I enjoyed it very much!  
Catherine, Grade 3-8BD

On the behalf of every student, I think we can agree that we all had an incredible time meeting Maggie Jankuloska. Not only is she a spectacular author, but also an extraordinary person. She was nice enough to answer all of our curious questions even if they were difficult to answer. Maggie also talked about her troubles as a first time author and how in the end she accomplished all of her goals, which I found to be truly inspirational because of the fact that she never gave up.  
Kalina, 5/6GK

What I most enjoyed about Maggie Jankuloska's presentation was that she was a former student of our Macedonian Bilingual Program at our school. I found the book to be interesting, enjoyable and very appealing, which kept me intrigued.  
Victoria, 5/6GK

On Thursday the 24th of August, we had an author come to visit our school, Maggie Jankuloska, to talk about what inspired her to be an author and about her new book release. Everyone had so much fun, especially when she gave us a little activity to do using a bunch of pictures to inspire us to write a quick story. It was also fascinating to learn about how many times she was knocked back from having her book published and get to the next step. She discussed how she persisted and that her book getting shortlisted for the NSW Premier's Literary Awards 2023 and the Glenda Adams Award for new writing. Even though her book didn't win, it was a big accomplishment for her.  
Stella, 5/6B

## SCHOOL SMOKING AND VAPING BAN

By law, smoking and vaping are banned within the grounds of, and within four metres of an entrance to, all childcare centres, kindergartens, preschools and schools.

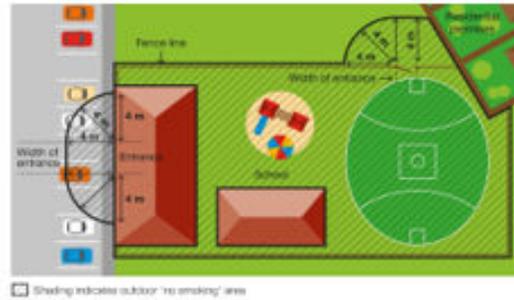

### WHERE THE BAN APPLIES

The smoking and vaping ban applies to:

- anyone present on school premises during and outside of school hours including students, teachers, contractors, parents or carers or the wider community, such as sporting groups
- all activities that take place on school premises including pre-schools, kindergartens, outside school hours care, cultural, sporting or recreational activities and school fetes

Smoking and vaping are also banned within four metres of any part of a pedestrian access point (entrance) to the premises.

The diagram adjacent shows an example of where the smoking ban applies at a school.

Smoking indicator outdoor 'no smoking' area

### WHEN THE BAN APPLIES

The smoking and vaping ban applies at all times, no matter whether the building or school grounds are being used for education purposes or other purposes. The ban therefore applies when other activities are taking place on the school grounds, such as fetes or sporting events, as well as during school hours.

### WHY THE BAN EXISTS

#### To protect children and young people from the dangers of second-hand smoke and vapour

This ban ensures that children and young people can enter and leave these areas without being exposed to harmful second-hand smoke and vapour. Their health is particularly at risk because they have smaller airways and less developed immune systems compared to adults.

#### To reduce the role modelling of smoking and vaping behaviours around children and young people

Children and young people are more likely to view smoking and vaping as socially acceptable when they regularly see people doing it.

Banning smoking and vaping in areas used by children and young people will discourage children and young people from using tobacco or e-cigarette products.

### DEFINING A PEDESTRIAN ACCESS POINT

A pedestrian access point in relation to premises means a door or gate by which a person can enter or exit the premises. It does not include an emergency exit that is locked to entry.

It does include shared doors or gates. For example, where a building is occupied by a childcare centre as well as other organisations, such as private businesses, any shared entrances that are used to access both areas of the building would be subject to the smoking ban.

Any entrances which lead only to premises not included in the smoking ban, such as the private offices, would not be subject to the smoking ban.

### WHAT PENALTIES APPLY

Fines are described under law in penalty units. From 1 July 2020 to 30 June 2021, a penalty unit is valued at \$165.22.

The penalty for breaking school smoking and vaping ban laws is a court fine of a maximum of five penalty units (\$826 as of 1 July 2020) or an infringement fine of one penalty unit (\$165 as of 1 July 2020).

The value of a penalty unit is set annually by the Department of Treasury and Finance and is updated on 1 July each year. For current penalty unit values, visit the Department's [website](http://www.dtf.vic.gov.au/financial-management-government/indexation-fees-and-penalties) <www.dtf.vic.gov.au/financial-management-government/indexation-fees-and-penalties>.

# GREEK BILINGUAL PROGRAM NEWS

## Greek Poetry Recital Competition

Every year, the Modern Greek Teachers Association invites our students to participate in the Greek Poetry Recital Competition.

This year we had three students participate.

They were: Gabriella V, Chrysoula P and Catherine P.

All participants receive a certificate of participation and a medal.

Well done to our students!

## Greek Bilingual Concert

We are looking forward to our annual Greek Bilingual Concert coming up on **Tuesday 12<sup>th</sup> of September** at 2:30pm. It gives the students the opportunity to showcase all their wonderful learning in the Greek language to their parents and friends.

## Book Character Parade

The students in rooms 6 and 7 shared their experiences of the Book Character Parade. It was a fun day for both teachers and students!

Below is what the students have written in both English and Greek.

Camp Australia Lalor North Primary School OSHC – Newsletter September 2022

## Dear families,

We are thrilled to launch Camp Australia's enhanced new menu that include fresh dairy, lactose free and gluten free. Children will be involved in the cooking experiences, encouraged to eat healthy and practice different physical skills.

## Happy Father's Day

At Your OSHC, We celebrated the fatherhood and the effort of the male parents towards their families wishing all fathers and father figures a Happy Father's Day.

The children created their own family tree, cards and gifts. They wrote gratitude messages that honour the contribution of the father/ special person in the family. They were strong in their social and emotional wellbeing while expressing their love and appreciation to the special father.

## What's been happening? .....:Book Week

The children at OSHC celebrated National book week with lots of literacy experiences. The children followed their imagination to write their own books, designed their own book cover and of course became illustrators.

Teachers' role was initiated, different bookmarks and craft were created. The activities promoted the children's love for reading and writing and opened their mind to diverse people and places while reading and creating different stories.

## Science week

With lots of excitement we celebrated National science week. Variety of science activities were offered to the children to explore and discover new things while playing and having fun. Science identifications were created and the children made own coded bracelets using binary.

The hands on volcano experiment was so much fun. The children learnt how ingredients are combined to create chemicals reactions and were introduced to the volcanic rocks. Also we planted variety of seeds to learn about the life cycle of the plants. Dry leaves and flowers were collected, the children used recycling resources to create their own art and they showed appreciation to the nature.

## What is coming next?

Rocketeers are now open online, to find the nearest club near you, please log on Camp Australia website to book your child.
