

IN THE LOOP

The beautiful artwork created by our students which focused on the Australian landscape inspired by Albert Namatjira. Watercolours were used to create these wonderful paintings by our students here at Lalor North Primary School. Come and have a closer look.....they are proudly displayed in our school foyer near our staffroom.

Acknowledgement to Country

We are learning on Wurundjeri Country and in the spirit of reconciliation, Lalor North Primary School acknowledges the Traditional Custodians of the land on which we are learning. We pay our respects to their Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Our School Values

Honesty

We communicate openly and work together to solve problems. By demonstrating honesty and acting with integrity we build trust, which enables us to collaborate, to take greater risks with our learning and to be more resilient when things go wrong.

Respect

We respect ourselves, our school and each other, and understand that our attitudes and behaviour have an impact on the people around us.

Unity

We have many languages, come from many backgrounds and are a school of many differences, but we speak with one voice, as one school. We develop a sense of connection and belonging within each part of our school, and across the whole school.

Success

We help each other learn so that everyone experiences success every day. Success means doing new things, learning new skills, finding new ways of thinking and solving interesting, complex and challenging problems.

Resilience

We know trying new things, experiencing challenges and bouncing back from adversity are central to life and to learning. Only by building our resilience can we experience strong levels of growth.

School review

Schools undertake a school review every 4 years to inform the directions of the school's four year School Strategic Plan (SSP) (a legislative requirement for all schools).

The first component of the review is the pre-review self-evaluation (PRSE) where schools review their data and other evidence to form a collective view of current practice and areas for improvement. Lalor North Primary School has completed this part of the process.

This is followed by a review conducted by a panel, utilising the expertise of challenge partners and convened by an independent school reviewer.

Concurrent with this panel process, the school reviewer undertakes an assessment of the school's compliance with the Minimum Standards for Curriculum and Student Learning.

On Tuesday we have a panel of staff working together to work towards setting the new School Strategic Plan. The panel is made up of myself, two other principals, our assistant principal, department representatives, staff members and a school council representative.

Creating a Safe Online Environment for our School Community

This week our staff revisited the topic of 'online Safety' and being responsible and safe when online both at home and at school. Our learning focus was about sharing and viewing inappropriate content online and being extra careful.

Lalor North Primary School has a DIGITAL LEARNING POLICY (INTERNET, SOCIAL MEDIA & DIGITAL DEVICES) which supports the school community to understand the expectations when using digital technologies. This policy is available on the school's website and is also attached to this post.

Everyone in our school community can help to create a shared understanding of, and responsibility for, online safety, so students can participate in a safe online environment. We are asking for your assistance in monitoring and educating your children in the safe and appropriate use of digital technologies, including the internet, apps, computers and tablets. Staff will also continue to educate students about safe and appropriate use of digital technologies.

We also understand that it can be difficult for parents to keep up to date with the new technologies. We ask that all parents and carers pay careful attention to their children and their online activities when engaging with Tik Tok and Snapchat in particular. It is not appropriate to be sharing inappropriate content that may be hurtful or upsetting. Please investigate the sites and apps your

children are using to ensure your child stays safe and doesn't develop a 'digital footprint' they will regret when they are older. Thank you for your support in creating a safe online environment for our school community.

For further support please visit the eSafety Commissioner at <https://www.esafety.gov.au/parents>

My child is involved in an online safety incident — what can I do?

As a parent or carer, you know your child better than anyone and have the best opportunity to guide them to have positive online experiences. If your child has been involved in an online incident (as a target, instigator or bystander), it is important that you work together with the school to provide your child with the support they need. It can be distressing to learn that your child is being cyberbullied, has been exposed to inappropriate content or is using technology inappropriately but it is important to focus on their wellbeing. It's best to not engage with the incident online — instead, stay calm, positive and focused on finding solutions.

When an online safety incident occurs, school staff will work through an incident response procedure, which is underpinned by school policies, education department/sector guidelines (if applicable) or eSafety advice. Ask your school for a copy of the procedure and familiarise yourself with the response steps. If you have an issue with the school, make sure that you raise it through the appropriate complaint procedures.

1. Focus on wellbeing

Check in regularly with your child and the contact person at your school. Regardless of whether your child was the target, instigator or bystander in the incident, it is likely that they will require emotional support. If your child has used technology inappropriately, support them to take responsibility for their actions and give them ideas to resolve the issue.

If you feel your child is in immediate danger or at risk of harm, call Triple Zero (000) and stay with them until they are safe. Seek professional help if your child is distressed or shows changes in behaviour or moods, remembering that organisations such as [Kids' Helpline](#) and [Beyond Blue](#) can help. Maintain contact with the school so you can work together to support your child.

2. Communicate with the school

Make a list of questions that you want to discuss with your child's school and use this to guide conversation. Check if your child has questions as well, or if they have any ideas on how to resolve the issue or repair the harm. Throughout the process it is important that communications with your child's school are calm and positive, focusing on addressing the issues and supporting your child. You might like to ask the school to watch out for concerning behaviours, or discuss the strategies that will be implemented if the issue remains unresolved. Keep in regular contact with the school, making set times to meet with your child's teacher, school counsellor and, if needed, the principal or school wellbeing team. This may help support the wellbeing of your child particularly if you have concerns with the steps taken in managing the issue, or if your child starts to feel uncomfortable about attending school. [Bullying No Way!](#) also has helpful advice on how you can work together with schools to address and resolve bullying issues.

3. Access support

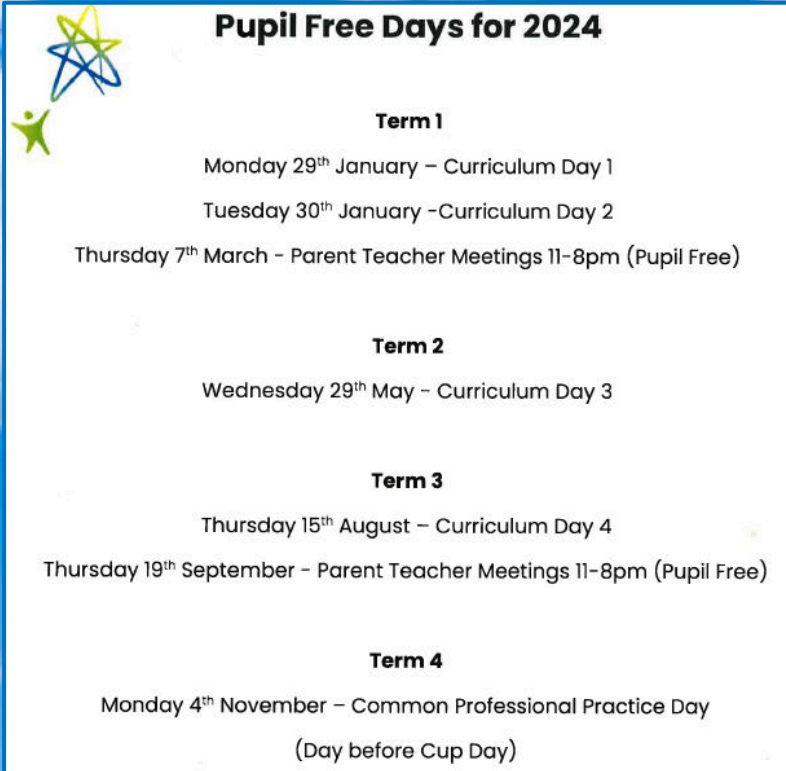

Your child's school and their GP or health professional can provide support. Draw on your own support network too, and make sure to seek help for yourself if you need it. The eSafety website includes a list of [counselling and support services](#) that can help anyone involved in an online safety incident. This list can be filtered by audience (including parents), the type of support required, issue and state/territory.

4. Upskill

eSafety has a range of information for [Parents and Carers](#) including skills and advice to help you talk to your child about online safety issues including cyberbullying, online pornography, sending nudes and online gaming.

Pupil Free Days for 2024

School council has approved the following dates for 2024 as Pupil Free Days. Please ensure that you have them on your family calendar to be organised for next year. This provides you with lots of time to plan around these dates.

Pupil Free Days for 2024

Term 1

- Monday 29th January – Curriculum Day 1
- Tuesday 30th January – Curriculum Day 2
- Thursday 7th March – Parent Teacher Meetings 11-8pm (Pupil Free)

Term 2

- Wednesday 29th May – Curriculum Day 3

Term 3

- Thursday 15th August – Curriculum Day 4
- Thursday 19th September – Parent Teacher Meetings 11-8pm (Pupil Free)

Term 4

- Monday 4th November – Common Professional Practice Day
(Day before Cup Day)

Evacuation Drill – Friday 17 November

As we continue to help staff and students know how to respond in an emergency, we will practise an evacuation to the oval on Friday 17 November. This drill helps the students to become familiar with the actions needed if there was a real emergency. It also helps staff to identify what went well and any areas that we can improve. When students are learning about what to do in emergency situations it is a good time to discuss safety in the home and what to do in an emergency.

Transition Dates for Prep Students Starting School in 2024

From the Office

Grade 5 Little Angler Kits

This week was very exciting for our Grade 5's who were each provided with a Little Angler Kit which is part of the Victorian Government's Little Anglers Initiative. These students are receiving the kits based on the Grade 5 Victorian Curriculum area of focus, movement and motor development and safety considerations. Parent information sheets have been provided for the students to take home with further information along with the kits. Happy fishing!

Book Packs for 2024

Book Pack information as well as Curriculum and Other Contributions for 2024 has been sent home with all students this week. Payments can be made at the Office using Eftpos, cash or by Bank Transfer. We encourage payments to be made by Friday 8th December 2023. Book packs will be delivered to the school and distributed to students in their new classrooms on the first day of Term 1, 2024.

Medication for Students

We have had a number of students recently come to sick bay displaying symptoms of hay fever and headaches, possibly due to the weather. Many of these students have not had prior record of suffering from hay fever. If you notice that your child is showing symptoms even though they normally do not, please consider leaving hay fever or headache medication at the school sick bay in case of need. Please contact the office for further information and to complete a Medication Authority Form.

Medication Collection from Camp

A reminder for parents/carers to collect all medications that were supplied for use by students who attended the Grade 4,5,6 School Camp last week. Please come to the office for collection.

Campaspe Downs School Camp 2023

From Wednesday 1st November to Friday 3rd November a large number of our Grade 4, 5 and 6 students attended school camp at PGL Campaspe Downs Adventure Camp.

The camp is located in country Victoria on the outskirts of Kyneton, near the Macedon Ranges, around an hour drive outside of Melbourne. Students and staff had an amazing time at camp this year with fantastic weather, excellent camp facilities, delicious food and awesome adventure activities.

Activities such as the Giant Swing, kayaking, rock climbing, low ropes, raft building and trampolining, tested the students skills and courage. These activities challenged students to step outside of their comfort zones and try something new that many were attempting for the first time.

Teaching staff at camp were very impressed and proud of the resilience, students showed and the way in which they all encouraged and supported each during adventure activities.

Our nighttime activities included a Robot Wars competition on night one, followed by a trivia night and disco on night two. Students and staff were all very tired but happy on the bus ride home from camp after three days and two nights of camping fun!

Next year's camp will be happening around the same time next year (week 5, Term 4) at Lady Northcote Camp near Bacchus Marsh. Camp is open to all Grade 4, 5 and 6 students and next year's camp promises to be another amazing camping experience for our students.

GREEK BILINGUAL PROGRAM NEWS

GREEK FLAG FESTIVAL

On Saturday 28th October, students of the Greek Bilingual Program were invited to attend the Greek Flag Festival organised by the Aetolian College to commemorate OHI Day (OXI) which is celebrated annually on the 28th of October. This date, back in 1940, marked the beginning of Greece's participation in the Second World War.

The day consisted of a church service, to commemorate the day, followed by a parade by the students. We were among local dignitaries and other schools where the Greek language is taught.

Representing our program were the following students:

Anastasia (Prep)
Nektarios (Prep)
Elora (Year 2)
Gabriella (Year 4)

George (Prep)
Alexia (Year 1)
Venia (Year 2)
Luciana (Year 5)

Johnny (Prep)
Marios (Year 1)
Theodora (Year 3)
Michaella (Year 6)

Stephanie (Prep)
Paris (Year 2)
Emilia (Year 4)
Alex (Year 6)

Mrs Koutsouroupas and Ms Diakodimitriou accompanied the students along with their parents.

We thank the organisers for inviting us this special event.

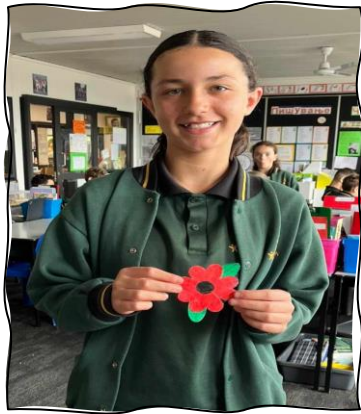

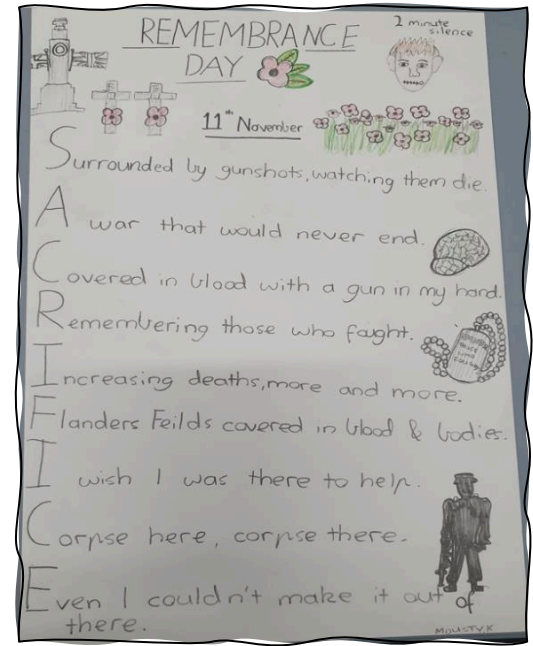

Remembrance Day, 11th November

Today, our student leaders dedicated part of our school assembly to commemorate Remembrance Day, which is on Saturday November 11th at 11am. The students shared various pieces of work, including an acrostic poem about

Remembrance Day, Flanders Fields and the significance of the red poppy. These poems were created to honour the soldiers that lost their lives in all wars that have occurred around the world.

Remembrance Day marks the date in 1918 when the First World War came to an end. It is officially observed at the 11th hour of the 11th day of the 11th month each year.

Remembrance Day will be marked by a pause at 11 am on Saturday 11 November 2023 for a minute's silence, to remember people's service and sacrifice.

Victoria's Shrine of Remembrance will hold a commemorative service on Remembrance Day. The service will be live streamed on the Shrine's [Facebook](#) and [YouTube](#) channels from 10:30 am. Refer to the [Shrine of Remembrance](#) website for more information.

Prep Transition

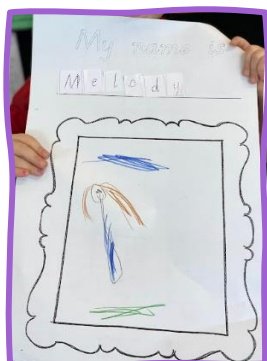

Thank you to all our new and returning families for attending our first Prep Transition session. We were truly delighted to see so many families, including some former students who have now enrolled their own children at Lalor North PS!

It was fabulous to see such happy and eager little learners ready to meet their teachers, make new friends and begin their journey into Primary School.

The children began the morning with developmental play in the Discovery Room, where they met some of our staff and began to develop new friendships.

The session that followed focused on finding their new classroom, learning their teacher's name and introducing themselves to their classmates. The children sang songs, completed a self portrait and spent time tracing, copying, cutting and pasting their own name. It seems we have some wonderful artists on our hands!

Parents had the opportunity to connect with other parents, as they gathered together in the staffroom to have a casual chat, make a cup of coffee and participate in a short presentation and discussion, led by our School Principal, Ellie. We hope this provided the parents not only with useful information to help prepare them and their child for school life, but also to establish a sense of unity and belonging to our school community.

Over the coming three weeks, the children will have the chance to further build on their friendships, their confidence and school readiness skills. As well as listening to stories, counting, singing, creating and making, and learning the routines of the classroom, our new students will meet their special senior school buddies, who will help to support their transition into Prep in 2024.

Parents will continue to meet in the staffroom to learn more about LNPS regarding uniforms, canteen, Out of Hours School Care (OHSC), excursions, student welfare, communication apps, and teaching and learning.

We look forward to seeing you all again on the 15th, 22nd and 29th November. Please do not hesitate to contact the school if you have any questions or queries regarding our Prep Transition program.

New Updated School Uniform

This is our updated school uniform which is available at our supplier. It has finally arrived!

There have been some improvements made through consultation with students and parents. The colours now match our school logo as well as improved fabric that is softer on the skin and better quality.

All students will have three years to transition to our new uniform so it's fine to continue to wear the current uniform to school.

Teachers have also expressed interest in wearing our uniform so we will begin to order for our staff as well

Lalor North Primary School Uniform

The purposes of the school uniform are to distinguish the school in public, build a school identity, help build an inclusive environment and to provide parents with cost effective and convenient clothing for school.

Lalor North Primary School has a compulsory school uniform. It must be worn at school, on excursions, at sporting activities and any other special occasions where students represent the school. It's important that every student feels comfortable and has a sense of belonging to our learning community while feeling pride about being a member of our school community each school day.

أفضل وقت في التاريخ لتكون أبًا ندوة عبر الإنترنت

مع Jeremy Macvean من The Father Hood

يمكن للآباء اليوم أن يكونوا أكثر نشاطًا وعاطفة في حياة أطفالهم من أي وقت مضى. وهذا له إيجابيات متعددة للرجال ولأطفالهم ولعلاقاتهم. هل تستغل الفرصة إلى أقصى حد؟

ستستكشف الندوة عبر الإنترنت فوائد وتحديات كونك أبًا في عام 2023 وكيفية التعامل مع الآبوة الحديثة وتوفير الإلهام لما يمكن أن تقدمه هذه التغييرات لك ولعائلتك.

سيكون لدى المشاركين خيار الاستماع إلى الندوة عبر الإنترنت مترجمة باللغة العربية أو البنجابية
