

Dear Parents/Carers,

Lalor North Primary school is looking forward to another great year of teaching and learning and would like to advise you of Lalor north primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through voluntary curriculum contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carers voluntary contributions make significant difference to the quality of our programs. This financial support ensures that we can continue to provide an excellent range of facilities and resources for your children. Within our school this support has allowed us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Inquiry, Language and PE.
- Maintain and develop the school grounds.
- Ensure the upkeep of our computer devices to enhance learning opportunities.
- Maintain sufficient class sets of books for students to develop their reading skills.
- Provide hands on maths equipment i.e.: measuring materials for teaching purposes.
- Arrange for classroom shared learning supplies.
- Provide sanitation supplies in classrooms i.e.: hand sanitiser, tissues, band-aids
- Offer effective First Aid for all students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Elizabeth Bryan

Principal
