

24th October 2023

Dear parent/guardian,

Lalor North Primary School is looking forward to another great year of teaching and learning and would like to advise you of Lalor North Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The contributions families have provided have especially made a huge difference to the special curriculum opportunities that we would otherwise not be able to offer. These financial contributions have assisted us to include enhanced digital learning experiences, offer STEM as a subject and resource it well, purchase further books and resources, celebrate concerts and special events, improve our classroom and school environment as well as enrich teaching to include our Kitchen Garden and Sustainability learning experiences. Your contributions have also enabled us to make excursions and incursions more affordable throughout the year as well.

We are very proud of the educational programs and learning opportunities offered at Lalor North Primary School. Each year Lalor North Primary School parents show positive support for the school through parent payments and fundraising efforts. This support has led to considerable improvements being carried out, especially in the areas of computer technology, Numeracy, Literacy and through the provision of outstanding resources that cater to the wellbeing needs and specific interests of our students.

Lalor North Primary School makes every effort to keep the voluntary contribution requests to a minimum to be affordable for all parents. School Council completes an annual review of the Parent Payment Policy and Parent Payment charges every year.

Please find attached the contribution schedule attached for **THREE**.

We encourage payments to be made by **Friday 8th December 2023**.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.
